DUNS #:	U.S. Government-wide policy requires all applicant organizations and individuals, both domestic and non-domestic, to apply for, and include a Dun & Bradstreet Data Universal Number System (DUNS) number on their application. Applicants without a DUNS number should go to http://fedgov.dnb.com/webform/pages/CCRSearch.jsp . You will be prompted to select your country and then search the database for your organization/name. If your organization/name is not found, you will be routed to a web page that allows you to select "Request a New D-U-N-S Number". Follow the instructions for obtaining a new number. Applicants who already have a DUNS number are responsible for updating changes to their address or business name with Dun and Bradstreet directly, as the organizational address to be used in the event an award is made must match the information in Dun & Bradstreet's system. An application will not be considered eligible for funding until the applicant provides a valid DUNS number.

Box.</i>
