SUPPLEMENTARY INFORMATION:
I. Abstract

Office of Management and Budget (OMB) regulations at 5 CFR part 1320, which implement the Paperwork Reduction Act of 1995 (Pub. L. 104-13), require that interested members of the public and affected parties have an

opportunity to comment on information collection and recordkeeping activities (see 5 CFR 1320.8(d)). This notice identifies an information collection activity that the Office of the Secretary, Office of Budget has submitted to OMB for renewal.

Public Law 97-258 (31 U.S.C. 6901-6907), as amended, the Payments in Lieu of Taxes (PILT) Act, was designed by Congress to help local governments recover some of the expenses they incur in providing services on public lands. These local governments receive funds under various Federal land payment programs such as the National Forest Revenue Act, the Mineral Lands Leasing Act, and the Taylor Grazing Act. PILT payments supplement the payments that local governments receive under these other programs.

The PILT Act requires that the Governor of each State furnish the Department of the Interior with a listing of payments disbursed to local governments by the States on behalf of the Federal Government under 12 statutes described in Section 4 of the Act (31 U.S.C. 6903). The Department of the Interior uses the amounts reported by the States to reduce PILT payments to units of general local governments from that which they might otherwise receive. If such listings were not furnished by the Governor of each affected State, the Department would not be able to compute the PILT payments to units of general local government within the States in question.

In fiscal year 2004, administrative authority for the PILT program was transferred from the Bureau of Land Management to the Office of the Secretary of the Department of the Interior. Applicable DOI regulations pertaining to the PILT program to be administered by the Office of the Secretary were published as a final rule in the **Federal Register** on December 7, 2004. The OMB granted a three-year extension to the information collection by the Office of the Secretary, Office of Budget on December 21, 2006. This Office is now planning to extend the information collection approval authority in order to enable the Department of the Interior to continue to comply with the PILT Act.
