Budget Detail Worksheets**

Budget Detail Worksheets

Instructions for Completing the Budget Detail Worksheets

The following Budget Detail Worksheets are designed to allow all COPS grant and cooperative agreement applicants to use the same budget forms to request funding. Allowable and unallowable costs vary widely and depend upon the type of COPS program. The maximum federal funds that can be requested and the federal/local share breakdown requirements also vary.

Please refer to the program-specific Application Guide to determine the allowable/unallowable costs, the maximum amount of federal funds that can be requested, and the federal/local share requirements for the COPS program for which your agency is applying. To assist you, sample Budget Detail Worksheets are included in each Application Guide.

Please complete each section of the Budget Detail Worksheets applicable to the program for which you are applying (see the program-specific Application Guide for requirements). If you are not requesting anything under a particular budget category, please check the appropriate box in that category indicating that no positions or items are requested.

All calculations should be rounded to the nearest whole dollar. Once the budget for your proposal has been completed, a budget summary page will reflect the total amounts requested in each category, the total project costs, and the total federal and local shares.

If you need assistance in completing the Budget Detail Worksheets, please call the COPS Office Response Center at 800.421.6770.

A. SWORN OFFICER POSITIONS**No Sworn Officer Positions Requested**

Instructions: This worksheet will assist your agency in reporting your agency's current *entry-level* salary and benefits and identifying the total salary and benefits request per officer position for the length of the grant term. Please list the current entry-level base salary and fringe benefits *rounded to the nearest whole dollar* for one full-time sworn officer position within your agency. Do not include employee contributions. (Please refer to the program-specific Application Guide for information on the length of the grant term for the program under which you are applying.)

Special note regarding sworn officer fringe benefits: For agencies that do not include fringe benefits as part of the base salary costs and typically calculate these separately, the allowable expenditures may be included under Part 1, Section B. Any fringe benefits that are already included as part of the agency's base salary (Part 1, Section A of the Sworn Officer Budget Worksheet) should not also be included in the separate fringe listing (Part 1, Section B).

Please refer to the program-specific Application Guide for information about allowable and unallowable fringe benefits for sworn officer positions requested under the program to which your agency is applying.

Part 2: Sworn Officer Salary Information

If your agency's second and/or third-year costs for salaries and/or fringe benefits increase after the first year, check the reason(s) why in the space below:

- Cost of living adjustment (COLA) Step raises Change in benefit costs
 Other - please explain briefly: _____

Part 3: Federal/Local Share Costs (for Hiring Grants only)

If the COPS Hiring Grant Program requires a local match, the grantees are required to pay a progressively larger share of the cost of the grant with local funds over the grant period. Please refer to the program-specific Application Guide to determine if this section is applicable. This means that your local match must increase each year, while the federal share must decrease. Please project in the chart below how your agency plans to assume a progressively larger share of the grant costs during each year of the program. The chart is a projection of your plans; while your agency may deviate from these specific projections during the grant period, it must still ensure that the federal share decreases and the local share increases.

	Year 1	Year 2	Year 3
Federal Share	\$83,779.00**	\$80,725.00**	\$77,671.00**
Local Share*	\$20,945.00	\$26,909.00	\$32,871.00
Totals	\$104,724.00 (Pre-populated)	\$107,634.00 (Pre-populated)	\$110,542.00 (Pre-populated)

Total salary and benefits for years 1, 2 & 3 (all positions):	\$322,900.00
Total federal share:	\$242,175.00
Total local share required (sworn officer costs): (Based on Years 1, 2 & 3 costs for all sworn positions)	\$80,725.00

*These calculations are based on the sample budget provided which includes a 25% local match; for sworn officer costs only

**The example above shows a decrease in the Federal share each year of the grant and a progressive increase of the local share. This was achieved through the following calculations:

Sample Local Match: 25% of the total cost of all sworn positions – ($\$322,900.00 \times 25\% = \$80,725.00$)

20% of the total cost \$104,724.00 in year 1: \$20,945.00

25% of the total cost \$107,634.00 in year 2: \$26,909.00

29.736% of the total cost \$110,542.00 in year 3: \$32,871.00

Total: **\$80,725.00** Required Local Match.

C. EQUIPMENT/TECHNOLOGY

No Equipment/Technology Requested

Instructions: List non-expendable items that are to be purchased. Provide a specific description for each item and explain how the item supports the project goals and objectives as outlined in your application. Non-expendable equipment is tangible property (e.g., technology) having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. Expendable items should be included either in the **“SUPPLIES”** or **“OTHER”** categories. Applicants should analyze the cost benefits of purchasing versus leasing equipment, especially for high-price items and those subject to rapid technical advances. Rented or leased equipment costs should be listed in the **“CONTRACTS / CONSULTANTS”** category.

Please be advised that, to the greatest extent practical, all equipment and products purchased with these funds must be American-made.

For agencies purchasing items related to enhanced communications systems, the COPS Office expects and encourages that, wherever feasible, such voice or data communications equipment should be incorporated into an intra- or interjurisdictional strategy for communications interoperability among federal, state, and local law enforcement agencies.

See the program-specific Application Guide for a list of allowable/unallowable costs for this program. Agencies are encouraged to limit their requests to the lines shown below and group similar items together so that all items are accounted for on the budget worksheet for each category. However, if your agency requires more lines please check the available box.

E. TRAVEL/TRAINING

No Travel/Training Requested

Instructions: Itemize grant-related travel expenses of grantee personnel (excluding consultants, whose expenses are listed in Section F) by event (e.g., mandatory training, staff to training, field interviews, advisory group meetings). Identify the location of travel whenever possible, and show the number of staff expected to attend each event. Training fees, transportation, lodging and per diem rates for trainees should be listed as separate travel items. Grantee travel costs specific to the grant project may be based on the grantee's written travel policy, assuming the costs are reasonable. Grantees without a written travel policy must follow the established federal rates (found at www.gsa.gov) for lodging, meals, and per diem. For all grantees (with or without a written travel policy), airfare travel costs must be one of the following: the lowest discount commercial airfare, standard coach airfare, or the federal government contract airfare (if authorized and available). Note: Any local training costs (within a 50-mile radius) should be listed under Section G ("Other Costs").

See the program-specific Application Guide for a list of allowable/unallowable costs for this program.
