

#### ONE-STOP DIRECTOR SURVEY

This survey is part of an evaluation of the Access Point Initiative being conducted for the U.S. Department of Labor, Employment and Training Administration, by the Social Science Research Group. The survey data will be used for statistical analysis, and neither you nor your organization will be linked with the results in the evaluation report.

Your participation is important and appreciated but is voluntary.

#### Paperwork Burden Statement

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid Office of Management and Budget (OMB) control number. The valid OMB control number for this collection is xxx-xxxx. The time required to complete this information collection is estimated to average 5 minutes per response, including the time to review instructions, search existing data sources, gather the data needed, and complete and review the information collection.
