Instructions for Preparing ETA Form 9058, Report 1 – "Certification Workload and Characteristics of Certified Individuals," Work Opportunity Tax Credit Report

Introduction.

<u>ETA Form 9058</u>. Part I. of this report clarifies and simplifies data reported on certifications and indicates state workforce agencies' (SWAs) workload during each reporting quarter. Part II. continues to collect data on selected characteristics of individuals with tax credit certifications.

Background.

The purpose of ETA Form 9058 (Rev. June 2007) is to provide state workforce agencies (SWAs) with a standardized reporting format, which accurately reflects program activity levels and outcomes under the consolidated Work Opportunity Tax Credit (WOTC). It is important for SWAs to maintain programmatic reporting procedures that account for each tax request (IRS Form 8850) received and its subsequent outcome (issuance of a tax certification or a denial notification). A properly completed ETA Form 9058 accurately reflects program use and the level of any programmatic backlog that may exist. To ensure that the WOTC Program can be accurately evaluated at the national level, it is critical that all SWAs report in a standardized manner.

INSTRUCTIONS FOR COMPLETING THIS FORM:

State. Enter the name of the state submitting ETA Form 9058.

Quarter Ending Period. Enter ending date of the quarter for the reported program data.

Part I. "Certification Workload." SWAs must identify from Part I, Item F on the previous reporting quarter's ETA Form 9058 the number of requests (IRS Form 8850s) determined to be incomplete or Needing Action, as defined below:

- (A) **Number of Requests Incomplete.** Enter the total number of requests (IRS Form 8850s) received by the SWA prior to the beginning of the current report period, but for which no applicant eligibility determination action (excluding the 48-hour review) was taken. This total is to be entered into Part I, Item (A) of ETA Form 9058.
- (B) **Number of Requests Needing Action.** Enter the total number of requests (IRS Form 8850s) received by the SWA prior to the beginning of the current report, but for which no review and total is to be entered into Part I, Item (B) of recently revised ETA Form 9058.
- (C) **New Requests**. Enter the total number of requests (IRS Form 8850s) received by the SWA during the current reporting quarter. Some states may have received requests (IRS Form 8880s) that were not previously recorded and/or reported on any prior quarterly report ETA 9058 for various reasons. It is Important for the SWA to report all requests (IRS Form 8850s) received. Therefore, any request received outside of the current reporting quarter, which has not previously been reported, should be included with the number of requests received during the current reporting period. That total should be entered as the number of "New Requests". This total is to be entered into Part I, Item (C) of ETA Form 9058.
- (D) **Total Requests to Be Processed.** Enter the sum of Items A, B & C. This total represents the number of requests (IRS Form 8850s) received by the SWA, which are available to be processed. This total is to be entered under Part I, Item (D) of ETA Form 9058.
- (E) **Requests Certified.** Enter the total number of WOTC certifications issued during the current report period.
- (F) **Requests Denied.** Enter the total number of requests (IRS Form 8850s) denied by the SWA during the current report period.

Note. A denial is a request (IRS Form 8850) determined by the SWA to be ineligible for the WOTC.

- (G) **Number of Requests Incomplete.** Enter the total number of requests (IRS Form 8850s) received and reviewed by the SWA, but which the SWA could neither approve nor deny due to such things as, but not limited to, the need for additional eligibility documentation for which the SWA has made a formal request to the employer, authorized tax consultant, or other third party entity, ETA Form 9061 not submitted, etc. **Note**. This number will also be entered in Part 1, Item A. of the subsequent quarterly report ETA Form 9058.
- (H) <u>Number of Requests Needing Action</u>. Enter the number of requests (IRS Form 8850s) received by the SWA but for which no review and/or action has yet been taken to determine applicant eligibility.

<u>Note</u>. This value will also be entered in Part I, Item B. of the subsequent quarterly report ETA Form 9058. Part I, Item H is the sum of Item D, minus Item E, minus Item F, minus Item G.

Part I. Completion Formula:

Items (A + B + C) = (D - E - F - G) = H
