DIARY SURVEY CHECKS

When reviewing the Diary, check each page in the form. Be sure that ALL entries have as much detail as possible. The following are EXAMPLES of information that is often omitted.

I. CONTENT CHECKS

1. All entries should be clearly readable. If there is an entry which is not, rewrite it. Entries that contain brand names, local names or acronyms should be clarified and rewritten.
2. If the respondent reports no expenditures for a day, mark the NONE box at the bottom of the page.
3. Be sure there is an amount entered in the total cost column for every item entry in the diary and that the amount entered is reasonable. If an amount is unusually high or low, confirm it with the respondent. Whenever possible, a single cost for each item is required. Investigate any combined expense to determine if individual costs can be identified.
4. In Part 1, Food and Drinks Away from Home, be sure that all the checkboxes are appropriately marked. If an alcohol check box is marked, indicating that alcoholic beverages were purchased, there should also be an amount entered in the last column. There should always be an amount entered in the total cost column.
5. In Part 2, Food and Drinks for Home Consumption, be sure a checkbox indicating whether the food is fresh, frozen, etc. is marked.
6. In Part 3, Clothing, Shoes, Jewelry, and Accessories, be sure the checkboxes for gender and age are marked.
7. In Part 4, All Other Products, Services, and Expenses, be sure there is an entry in the last column to indicate if the item was purchased for someone not on your list.
