FedCASIC 2011 Evaluation [Exit this survey >>](#)

Welcome

Now that FedCASIC 2011 is over, we would like to get your comments on the conference. Please take a few minutes to complete the survey. We are interested in your experiences and opinions, whether you were able to attend or not.

We will use your responses only for planning future FedCASIC events.

Your participation in this survey is voluntary. We estimate that it will take you 5 minutes to complete this survey. We are collecting this information under OMB Number 1225-0059. Without this currently-approved number, we could not conduct this survey. (Expiration: November 30, 2012)

Thank you for taking the time to complete the survey.

Please note that this survey is being administered by SurveyMonkey.com and resides on a server outside of the BLS domain. The BLS cannot guarantee the protection of survey responses and advises against the inclusion of sensitive personal information in any response.

Recent Innovations

5. We tried a new format for the Recent Innovations session this year. In the session, rather than hear about a variety of innovations from many organizations as we have in the past, we focused the discussion on Cloud Computing.

Please let us know what you thought about the session and if you have suggestions for next year.
