

The Bureau of Labor Statistics (BLS) completed a redesign of the Occupational Outlook Handbook (OOH) in March 2012 to make it easier to use online.

This brief survey assumes you are familiar with the old Handbook and have seen the redesigned Handbook, which can be found at: <http://www.bls.gov/ooh/> (will open in a new window).

An example of a redesigned occupational profile can be found at:
<http://www.bls.gov/ooh/healthcare/registered-nurses.htm> (will open in a new window)

We would like to know your opinions about the effectiveness of the redesigned Handbook and, especially, any suggestions for further improvements.

Thank you in advance for your time.
