## What Is the Filing Fee?

The filing fee for Form I-360 is **\$375**, except there is no fee if filing for an Amerasian, a Special Immigrant Juvenile, as a self-petitioning battered or abused spouse or child of a U.S. citizen or lawful permanent resident, or Iraqi national who worked for or on behalf of the U.S. Government in Iraq.

An additional biometric fee of **\$80** is required when filing Form I-360 on behalf of an Amerasian. After you submit Form I-360, USCIS will notify you about when and where you will need to go for biometric services.

You may submit one check or money order for both the application and biometric fees, for a total of **\$455**.

Use the following guidelines when you prepare your check or money order for Form I-360, and the biometric service fee if applicable:

1. The check or money order must be drawn on a bank or other financial institution located in the United States, and must be payable in U.S. currency; and
2. Make the check or money order payable to **U.S. Department of Homeland Security**, unless:
  - A. If you live in Guam, make it payable to **Treasurer, Guam**.
  - B. If you live in the U.S. Virgin Islands, make it payable to **Commissioner of Finance of the Virgin Islands**.

**NOTE:** Spell out U.S. Department of Homeland Security; do not use the initials "USDHS" or "DHS."

**Notice to Those Making Payment by Check.** If you send us a check, it will be converted into an electronic funds transfer (EFT). This means we will copy your check and use the account information on it to electronically debit your account for the amount of the check. The debit from your account will usually take 24 hours and will be shown on your regular account statement.

You will not receive your original check back. We will destroy your original check, but we will keep a copy of it. If the EFT cannot be processed for technical reasons, you authorize us to process the copy in place of your original check. If the EFT cannot be completed because of insufficient funds, we may try to make the transfer up to two times.

## How to Check If the Fees Are Correct

## Processing Information

**Any Form I-360 that is not signed or accompanied by the correct fee will be rejected with a notice that Form I-360 is deficient.** You may correct the deficiency and resubmit Form I-360. An application or petition is not considered properly filed until accepted by USCIS.

**Initial processing.** Once Form I-360 has been accepted, it will be checked for completeness, including submission of the required initial evidence. If you do not completely fill out the form, or file it without required initial evidence, you will not establish a basis for eligibility, and we may deny your petition.

**Requests for more information or interview.** We may request more information or evidence, or we may request that you appear at a USCIS office for an interview. We may also request that you submit the originals of any copy. We will return these originals when they are no longer required.

**Decision.** If you establish that the person this petition is for is eligible for the requested classification, we will approve the petition. We will send it to the U.S. Embassy or consulate for visa issuance, unless he or she is in the United States and appears eligible and intends to apply for adjustment to permanent resident status while here. If you do not establish eligibility, we will deny the petition. We will notify you in writing of our decision.
