Dear,

The Energy Information Administration ([EIA](#)) is conducting its annual uranium survey, Form EIA-858 "Uranium Marketing Annual Survey." The legal authority for this mandatory survey Form EIA-858 comes from Section 13(b) of the Federal Energy Administration Act of 1974 (FEAA) (Public Law 93-275), as amended. The Form EIA-858 is used to collect data to update the [Uranium Marketing Annual Report](#) and [Annual Energy Review](#).

Also, information is required to be made available to Congress annually from the Energy Policy Act of 1992 (EPACT 1992), Public Law 102-486. This law provides under Subtitle B, 42 USC § 2296b-4, Sec. 1015, that:

". . . the owner or operator of any civilian nuclear power reactor shall report to the Secretary (of Energy), acting through the Administrator of the Energy Information Administration, for activities of the previous fiscal year-

- (1) the country of origin and the seller of any uranium or enriched uranium purchased or imported into the United States either directly or indirectly by such owner or operator; and
- (2) the country of origin and the seller of any enrichment services purchased by such owner or operator."

Please logon to the [EIA Single Sign On Login System](#) to access the EIA Internet Data Collection System and EIA-858 Uranium Marketing Annual Survey to submit your EIA-858 data for calendar year 2009. The due date is March 1, 2010.
