YOUR HOME REPRESENTS THOUSANDS OF OTHER HOMES LIKE YOURS!

The Residential Energy Consumption Survey (RECS) provides the U.S. Department of Energy with information on home energy costs and usage that help plan for our nation's energy future.

Your identity and the information you will provide will be held in strict confidence; your name and address will not be given to anyone else! The data released will not have any identifying features and will be used only for statistical purposes.

Soon, you'll be receiving a letter that will give you more information. As a token of appreciation for your participation, a gift will also be provided. In the meantime, you can visit our website at www.eia.doe.gov/emeu/recs.

THANK YOU FOR YOUR COOPERATION!
