VEHICLE SIZE AND WEIGHT ENFORCEMENT

OFFICE OF OPERATIONS 21ST CENTURY OPERATIONS USING 21ST CENTURY TECHNOLOGIES

Vehicle Size and Weight Enforcement > State Forms

Plan Submission

The Plan Submission has six sections:

- Facilities and Equipment (unfinished)
- Resources (unfinished)
- Practices and Procedures (unfinished)
- Changes in Vehicle Size and Weight Laws and Regulations (unfinished)
- Goals (unfinished)
- Evaluation (unfinished)

[Document Attachment](#)
[Submit Plan](#)

You must complete all six sections to submit and obtain a valid plan.

This collection of information is mandatory (23 CFR Part 657) and will be used to collect the required State Enforcement Plans and Certifications. Reporting burden is estimated to average 30 hours per response, including the time for reviewing instructions searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The system uses a secure, password protected site with access given only to pre-approved users. Please note that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this collection is 2125-0034, expiration of July 31, 2009.
