OFFICE OF THE DIRECTOR

March 17, 2010

This is your official 2010 Census form. We need your help to count everyone in the United States. It is important that everyone be counted, regardless of where they may be living at the time of the census. This Military Census Report is to be used to count people who are assigned to military group quarters, such as barracks, dormitories, disciplinary barracks or jails, or military treatment facilities. **Please follow the instructions you were given when you received this form for returning it to the appropriate person.**

Your answers are important. Census results are used to decide the number of representatives each state has in the U.S. Congress. The amount of government money received also depends on these answers. That money is used for services for children and the elderly, roads, and many other local needs. As allowed by law, your census data becomes public after 72 years. This information can be used for family history and other types of historical research.

Your answers are confidential. This means the Census Bureau cannot give out information that identifies you. Your answers will only be used for statistical purposes, and no other purpose. Please visit our Web site at <www.census.gov/2010census> and click on "Protecting Your Answers" to learn more about our privacy policy and data protection.

Sincerely,

Steve H. Murdock
