

TRANSLATION CERTIFICATION

This is to certify that the following translation delivered by the CDC Multilingual Services team as an attachment to this letter is to the best of our knowledge and ability, a true and accurate translation of the original text (source) delivered to us by Holly Fisher.

Title of the document in English:

213172-A NCHHSTP-Translation-Hkh3-QDS Baseline Survey

Certified Translator / Approving Official:

Claudia Kukucka

Date delivered: 05/14/2010

Source language: English

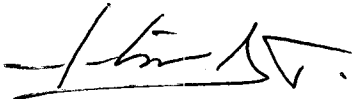

Target language: Spanish

Order #: 213172

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the documents attached herein.

The CDC Multilingual Services team hereby agrees to keep the contents of this translation confidential according to the ethical and legal standards of the translating profession. CDC furthermore agrees not to discuss, evaluate, transfer, distribute, or reproduce any material related to this assignment with any person (s), or any other parties related to this assignment, other than the direct representative of the client, as this would constitute a violation of our agreement.

Any changes made to the delivered document, no matter how small, will make this certification void for all purposes.
