Attention African American
Mothers with Children between the ages of 12 to
15 years old:

We need your help! Project FACTS is a research study on how parents talk to their children about sex.

We need about two hours of your time to complete a survey on a computer.

If you would like to know more about this study, please contact Dr. Carl Sneed, (310) 243-3463, csneed@csudh.edu, (310) 243-3037. You may need to leave a number where we can call you back.

In order to be in this study, you need to have a child between the ages of 12 to 15 years old enrolled at the Boys & Girls Club. If you take part in the study, your family (you and your child) will be paid \$50. Not everyone will be able to be in this study, so please call us soon. Thank you!!
