Q14

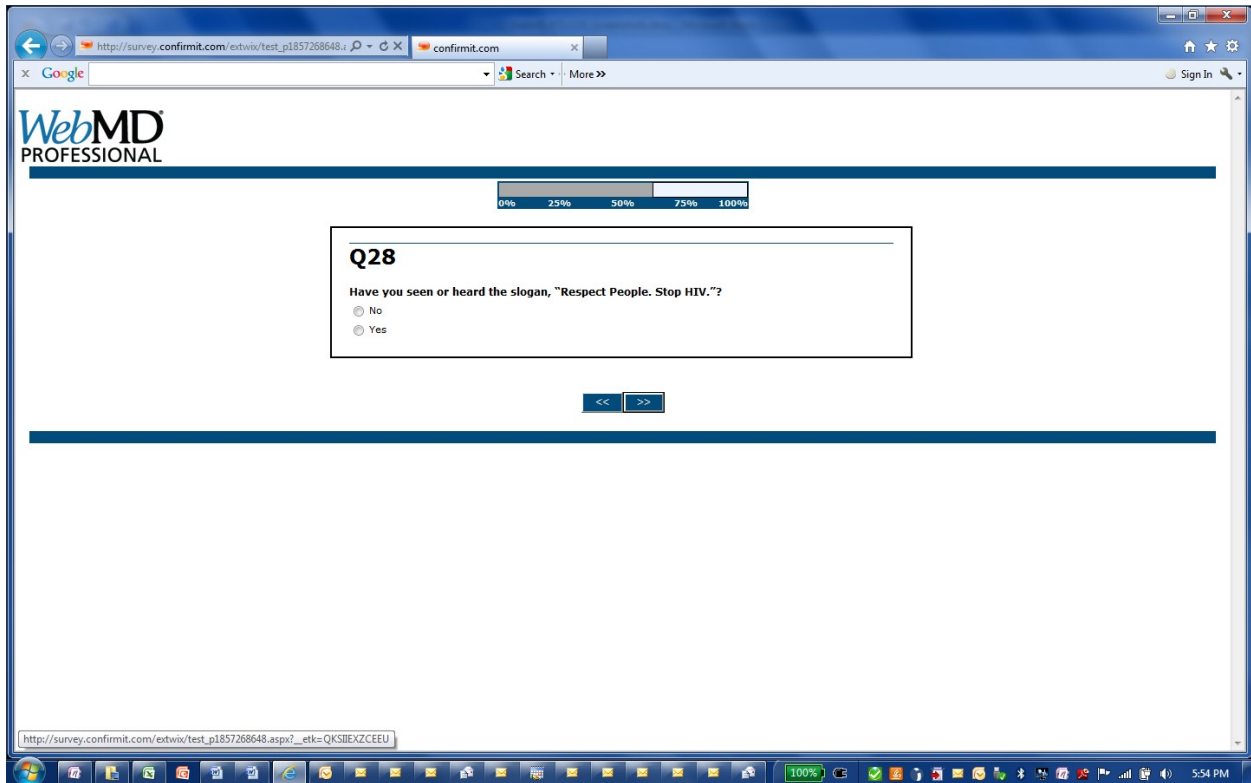

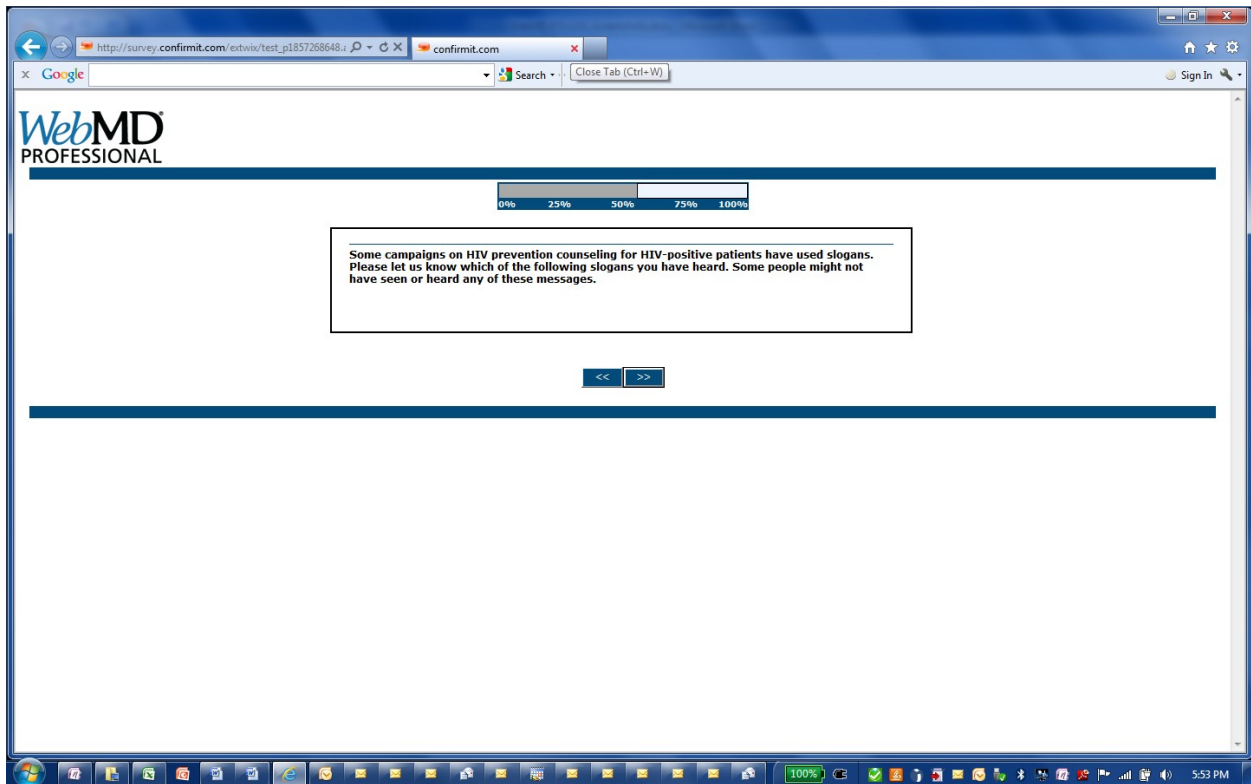

Please think about all of your patients living with HIV and indicate which category best describes how often you typically do the following:
 (Select one per row)

	Never	Only when medically indicated	Only during the first visit	Every 6 months	Annually	Every patient visit
Ask patients if they are sexually active	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Ask patients if they disclose their HIV status to sex partners	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Ask patients if they are engaging in unsafe sex	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Screen patients for STDs	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Recommend condom use to patients for all sex acts	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Recommend not sharing razors, toothbrushes or other things that might have patient's blood	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Instruct patients to take HIV medicine as directed	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Recommend practicing sexual abstinence	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Offer prevention messages to patients	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Screen patients for alcohol and drug use	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Screen patients for injection drug use	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Refer patients to Partner Services (i.e., Health Department Partner Notification) to notify partners of exposure	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>

The screenshot shows a web browser window with the URL http://survey.confirmit.com/extwiv/test_p1857268648.as. The page header includes the WebMD Professional logo and a progress bar at 0%. The main content area features a question box for Q26: "We would like to ask you about recent campaign materials that you may or may not have seen or heard. In the past 12 months, have you seen or heard any campaign messages about healthcare professionals and HIV prevention counseling for HIV-positive patients?". Below the question are two radio button options: "No" and "Yes". Navigation arrows are visible below the question box. The Windows taskbar at the bottom shows various application icons and the system clock at 1:52 PM.

The screenshot shows the same web browser window as above, but the progress bar is now at 100%. The question box for Q27 asks: "In your own words, would you please summarize what you remember from those campaign materials? You can mention anything you would like, including the main ideas or even pictures or graphics that you remember." Below the question is a text input field containing the placeholder text "test data". Navigation arrows are visible below the question box. The Windows taskbar at the bottom shows the system clock at 1:53 PM.
