Completing this survey will help make programs that help your provider and others give better patient care. You may have received a similar survey about colon cancer screening in the past. Please complete this new survey whether or not you filled out a similar one a few months ago.

You were selected to receive this survey because you are age 50 or older and you visited an ABQ clinic in the past 3 months. **You are being paid \$10 to compensate you for your time and effort.**

- ◆ Please **do not** have other family members fill out the survey that has been addressed to you.

- ◆ Your answers are strictly **private**.

- ◆ Please **do not** put your name on your survey.

- ◆ Answers from other patients like you will be combined into one final summary.

- ◆ Some questions are personal, but provide important information for this study

- ◆ It is **your** choice to skip any questions that you do not want to answer

- ◆ Your doctor will **not** see your answers

We thank you **very** much for taking your time to fill in this survey for us.

- ◆ When you are done, please mail it back to us in the enclosed envelope.

[◆ Please also mail your **signed HIPAA form** which allows us to include your survey answers in our final summary. ABQ HP/Lovelace only]
