Announcement

*New telephone numbers, fax and
mailing information starting in 2010*

The U.S. Department of Health and Human Services through the Agency for Healthcare Research and Quality (AHRQ) and the Centers for Disease Control and Prevention (CDC) has selected a new data collection team to conduct the MEPS Medical Provider Component — RTI International (RTI) and Social and Scientific Systems, Inc. (SSS).

RTI International (RTI) is a private, nonprofit research institute dedicated to conducting

multidisciplinary research that improves the human condition. Social and Scientific Systems, Inc. (SSS) is an employee-owned company dedicated to improving public health worldwide by providing technical, research, and management services to government and other clients.

The RTI-SSS team is pleased to work with the selected MPC medical providers and looks forward to collecting information for this important research survey.

Please note our new mail, fax, and telephone information below.
