Multidisciplinary Health Care Models for Women Sustainability Assessment Survey

Introduction: Welcome to the Multidisciplinary Health Models for Women (MHMW) Sustainability Survey being conducted by the Altarum Institute on behalf of the Office of Women's Health's (OWH) in the U.S. Department of Health and Human Services. This survey is designed to collect information on which aspects of the five-component core model of the MHMW Initiative have been implemented and sustained.

The survey will take approximately 35 minutes to complete and should be completed by respondents who are familiar with their organization's MHMW program, women's health services, and related issues since OWH funding has ended.

Your participation is voluntary. You can decline to participate. You can also stop your participation at any time by choosing not to submit your responses.

Your name and organization will not be attached to specific comments that you share today. Your responses may be included with those of other respondents in aggregate form in reports or journal articles.

Do you agree to voluntarily participate in this survey?

- Yes [Go to Q1]
- No [Display the following statement, "Thank for your time.", and end the survey]

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0990-XXXX . The time required to complete this information collection is estimated to average 95 minutes per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: U.S. Department of Health & Human Services, OS/OCIO/PRA, 200 Independence Ave., S.W., Suite 537-H, Washington D.C. 20201, Attention: PRA Reports Clearance Officer

1. Please select the name of the organization for which you are completing the survey from the list below:

DROPDOWN LIST OF ALL THE MHMW SITES

2. Please list the title(s) of the individual(s) who completed this survey in the spaces below:

SPACE FOR TITLE 1

SPACE FOR TITLE 2

SPACE FOR TITLE 3

SPACE FOR TITLE 4

SPACE FOR TITLE 5

3. Thinking about the larger health care organization in which the MHMW program operated, approximately how many clients did that organization serve during the last year of OWH funding (to the extent available please include clinical encounters and education and outreach efforts)?

Number of Clients

IMPLEMENTATION OF FIVE CORE COMPONENTS

Clinical Care Component

The next set of questions asks you about your experience providing clinical care to girls and women during and after the period in which [NAME OF ORGANIZATION] received OWH funding for your MHMW program.

4. To what extent did you develop or enhance a comprehensive, coordinated system of clinical care for women during the period you received OWH funding? *Select one.*

- 1 Great extent
- 2 Large extent
- 3 Moderate extent
- 4 Slight extent
- 5 Not at all

5. [ASK IF 4 EQ 1-4] To what extent have you maintained or improved this system of care since OWH funding ending? *Select one.*

- 1 Great extent
- 2 Large extent
- 3 Moderate extent
- 4 Slight extent
- 5 Not at all

6. [ASK IF 5 EQ 1 OR 2] Why have you been able to maintain or improve this system of care? *Select all that apply.*

- 1 Received additional funding
- 2 Innovative use of staff
