(b) *Stock grazing.* (1) Privileges for the grazing of domestic livestock based on authorized use of certain areas at the time of approval of the act of September 8, 1960 (74 Stat. 857, Pub. L. 86–729), shall continue in effect or shall be renewed from time to time, except for failure to comply with such terms and conditions as may be prescribed by the Superintendent in these regulations and after reasonable notice of default and subject to the following provisions of tenure:

(i) Grazing privileges appurtenant to privately owned lands located within the Monument shall not be withdrawn until title to the lands to which such privileges are appurtenant shall have vested in the United States except for failure to comply with the regulations applicable thereto after reasonable notice of default.

(ii) Grazing privileges appurtenant to privately owned lands located outside the Monument shall not be withdrawn for a period of twenty-five years after September 8, 1960, and thereafter shall continue during the lifetime of the original permittee and his heirs if they were members of his immediate family as described herein except for failure to comply with the regulations applicable thereto after reasonable notice of default.

(iii) Members of the immediate family are those persons who are related to and directly dependent upon a person or persons, living on or conducting grazing operations from lands, as of September 8, 1960, which the National Park Service recognized as base lands appurtenant to grazing privileges in the monument. Such interpretation excludes mature children who, as of that date, were established in their own households and were not directly dependent upon the base lands and appurtenant grazing recognized by the National Park Service.

(iv) If title to base lands lying outside the monument is conveyed, or such base lands are leased to someone other than a member of the immediate family of the permittee as of September 8, 1960, the grazing preference shall be recognized only for a period of twenty-five years from September 8, 1960.

(v) If title to a portion or part of the base land either outside or inside the monument is conveyed or such base lands are leased, the new owner or lessee will take with the land so acquired or leased after September 8, 1960, such proportion of the entire grazing privileges as the grazing capacity in animal unit months of the tract conveyed or leased bears to the original area to which a grazing privilege was appurtenant and recognized. Conveyance or lease of all such base lands will automatically convey all grazing privileges appurtenant thereto.

(vi) Grazing privileges which are appurtenant to base lands located either inside or outside the monument as of September 8, 1960, shall not be conveyed separately therefrom.

(2) Where no reasonable ingress or egress is available to permittees or nonpermittees who must cross monument lands to reach grazing allotments or non-Federal lands within the exterior boundary of the monument or adjacent thereto, the Superintendent will grant, upon request, a temporary nonfee annual permit to herd stock on a designated driveway which shall specify the time to be consumed in each single drive.

(3) After September 8, 1960, no increase in the number of animal unit months will be allowed on Federal lands in the monument.

(4)(i) A permittee whose privileges are appurtenant to base lands either inside or outside the monument may be granted total nonuse on a year to year basis not to exceed three consecutive years. Total nonuse beyond this time may be granted if necessitated for reasons clearly outside the control of the permittee. Total unauthorized nonuse beyond three consecutive years will result in the termination and loss of all grazing privileges.

(ii) Whenever partial or total non-use is desired an application must be made in writing to the Superintendent.

(5) Grazing fees shall be the same as those approved for the Bureau of Land Management and will be adjusted accordingly.

(6) Permittees or nonpermittees who have stock on Federal lands within the monument at any time or place, when or where herding or grazing is unauthorized may be assessed fifty cents per day per cow or horse and ten cents per day per sheep as damages.

(7) The Superintendent may accept a written relinquishment or waiver of any privileges; however, no such relinquishment or waiver will be effective without the written consent of the owner or owners of the base lands.

(8) Permits. Terms and conditions. The issuance and continued effectiveness of all permits will be subject, in addition to mandatory provisions required by Executive Order or law, to the following terms and conditions:

(i) The permittee and his employees shall use all possible care in preventing forest and range fires, and shall assist in the extinguishing of forest and range fires on, or within, the vicinity of the land described in the permit, as well as in the preservation of good order within the boundaries of the Monument.

(ii) The Superintendent may require the permittee before driving livestock to or from the grazing allotment to gather his livestock at a designated time and place for the purpose of counting the same.

(iii) Stock will be allowed to graze only on the allotment designated in the permit.

(iv) The permittee shall file with the Superintendent a copy of his stock brand or other mark.

(v) The permittee shall, upon notice from the Superintendent that the allotment designated in the permit is not ready to be grazed at the beginning of the designated grazing season, place no livestock on the allotment for such a period as may be determined by the Superintendent as necessary to avoid damage to the range. All, or a portion of the livestock shall be removed from the area before the expiration of the designated grazing season if the Superintendent determines further grazing would be detrimental to the range. The number of stock and the grazing period may be adjusted by the Superintendent at any time when such action is deemed necessary for the protection of the range.

(vi) No permit shall be issued or renewed until payment of all fees and other amounts due the National Park Service has been made. Fees for permits are due the National Park Service and must be paid at least 15 days in advance of the grazing period. No permit shall be effective to authorize grazing use thereunder until all fees and other amounts due the National Park Service have been paid. A pro rata adjustment of fees will be made in the event of reduction of grazing privileges granted in the permit, except that not more than 50 percent of the total annual grazing fee will be refunded in the event reduced grazing benefits are taken at the election of the permittee after his stock are on the range.

(vii) No building or other structure shall be erected nor shall physical improvements of any kind be established under the permit except upon plans and specifications approved by the National Park Service. Any such facilities, structures, or buildings may be removed or disposed of to a successor permittee within three months following the termination of the permit; otherwise they shall become the property of the United States without compensation therefor.

(viii) The permittee shall utilize the lands covered by the permit in a manner approved and directed by the Superintendent which will prevent soil erosion thereon and on lands adjoining same.

(ix) The right is reserved to adjust the fees specified in the permit at any time to conform with the fees approved for the Bureau of Land Management, and the permittee shall be furnished a notice of any change of fees.

(x) All livestock are considered as mature animals at 6 months of age and are so counted in determining animal unit months and numbers of animals.

(xi) The Superintendent may prescribe additional terms and conditions to meet individual cases.

(9) The breach of any of the terms or conditions of the permit shall be grounds for termination, suspension, or reduction of grazing privileges.

(10) Appeals from the decision of the Superintendent to the Regional Director, and from the Regional Director to the Director shall be made in accordance with National Park Service Order No. 14, as amended (19 FR 8824) and Regional Director, Order No. 3, as amended (21 FR 1494).

(11) Nothing in these regulations shall be construed as to prevent the enforcement of the provisions of the General Rules and Regulations and the Special Rules and Regulations of the National Park Service or of any other provisions of said rules and regulations applicable to stock grazing.

No activity containing structures is permitted closer than 50 feet to another activity containing structures without the mutual consent of the sponsors of those activities.

(iii) A permit may be denied in writing by the Regional Director upon the following grounds:

(A) A fully executed prior application for the same time and place has been received, and a permit has been or will be granted authorizing activities which do not reasonably permit multiple occupancy of the particular area; in that event, an alternate site, if available for the activity, will be proposed by the Regional Director to the applicant.

(B) It reasonably appears that the proposed demonstration or special event will present a clear and present danger to the public safety, good order, or health.

(C) The proposed demonstration or special event is of such a nature or duration that it cannot reasonably be accommodated in the particular area applied for; in that event, the Regional Director shall propose an alternate site to the applicant, if available for the activity; in this connection, the Regional Director shall reasonably take into account possible damage to the park, including trees, shrubbery, other plantings, park installations and statues.

(D) The application proposes activities contrary to any of the provisions of this section or other applicable law or regulation.

(5) *Permit limitations.* Issuance of a permit is subject to the following limitations:

(i) No more than 750 persons are permitted to conduct a demonstration on the White House sidewalk at any one time.

(ii) No more than 3,000 persons are permitted to conduct a demonstration in Lafayette Park at any one time.

(A) The Regional Director may waive the 3,000 person limitation for Lafayette Park and/or the 750 person limitation for the White House Sidewalk upon a showing by the applicant that good faith efforts will be made to plan and marshal the demonstration in such a fashion so as to render unlikely any substantial risk of unreasonable disruption or violence.

(B) In making a waiver determination, the Regional Director shall consider and the applicant shall furnish at least ten days in advance of the proposed demonstration, the functions the marshals will perform, the means by which they will be identified, and their method of communication with each other and the crowd. This requirement will be satisfied by completion and submission of the same form referred to in paragraph (g)(3) of this section.

(iii) No permit will be issued for a demonstration on the White House Sidewalk and in Lafayette Park at the same time except when the organization, group, or other sponsor of such demonstration undertakes in good faith all reasonable action, including the provision of sufficient marshals, to insure good order and self-discipline in conducting such demonstration and any necessary movement of persons, so that the numerical limitations and waiver provisions described in paragraphs (g)(5) (i) and (ii) of this section are observed.

(iv) No permit will be issued authorizing demonstrations or special events in excess of the time periods set out below: *Provided, however*, that the stated periods will be extended for demonstrations only, unless another application requests use of the particular area and said application precludes double occupancy:

(A) White House area, except the Ellipse: Seven days.

(B) The Ellipse and all other park areas: Three weeks.

(v) The Regional Director may restrict demonstrations and special events weekdays (except holidays) between the hours of 7:00 to 9:30 a.m. and 4:00 to 6:30 p.m. if it reasonably appears necessary to avoid unreasonable interference with rush-hour traffic.

(vi) Special events are not permitted unless approved by the Regional Director. In determining whether to approve a proposed special event, the Regional Director shall consider and base the determination upon the following criteria:

(A) Whether the objectives and purposes of the proposed special event relate to and are within the basic mission and responsibilities of the National Capital Region, National Park Service.

(B) Whether the park area requested is reasonably suited in terms of accessibility, size, and nature of the proposed special event.

(C) Whether the proposed special event can be permitted within a reasonable budgetary allocation of National Park Service funds considering the event's public appeal, and the anticipated participation of the general public therein.

(D) Whether the proposed event is duplicative of events previously offered in National Capital Region or elsewhere in or about Washington, DC.

(E) Whether the activities contemplated for the proposed special event are in conformity with all applicable laws and regulations.

(vii) In connection with permitted demonstrations or special events, temporary structures may be erected for the purpose of symbolizing a message or meeting logistical needs such as first aid facilities, lost children areas or the provision of shelter for electrical and other sensitive equipment or displays. Temporary structures may not be used outside designated camping areas for living accommodation activities such as sleeping, or making preparations to sleep (including the laying down of bedding for the purpose of sleeping), or storing personal belongings, or making any fire, or doing any digging or earth breaking or carrying on cooking activities. The above-listed activities constitute camping when it reasonably appears, in light of all the circumstances, that the participants, in conducting these activities, are in fact using the area as a living accommodation regardless of the intent of the participants or the nature of any other activities in which they

may also be engaging. Temporary structures are permitted to the extent described above, provided prior notice has been given to the Regional Director, except that:

(A) Structures are not permitted on the White House sidewalk.

(B) All such temporary structures shall be erected in such a manner so as not to harm park resources unreasonably and shall be removed as soon as practicable after the conclusion of the permitted demonstration or special event.

(C) The Regional Director may impose reasonable restrictions upon the use of temporary structures in the interest of protecting the park areas involved, traffic and public safety considerations, and other legitimate park value concerns.

(D) Any structures utilized in a demonstration extending in duration beyond the time limitations specified in paragraphs (g)(5)(iv) (A) and (B) of this section shall be capable of being removed upon 24 hours notice and the site restored, or, the structure shall be secured in such a fashion so as not to interfere unreasonably with use of the park area by other permittees authorized under this section.

(E) Individuals or groups of 25 persons or fewer demonstrating under the small group permit exemption of paragraph (g)(2)(i) of this section are not allowed to erect temporary structures other than small lecterns or speakers' platforms. This provision does not restrict the use of portable signs or banners.

(viii) No signs or placards shall be permitted on the White House sidewalk except those made of cardboard, posterboard or cloth having dimensions no greater than three feet in width, twenty feet in length, and one-quarter inch in thickness. No supports shall be permitted for signs or placards except those made of wood having cross-sectional dimensions no greater than three-quarter of an inch by three-quarter of an inch. Stationary signs or placards shall be no closer than three feet from the White House sidewalk fence. All signs and placards shall be attended at all times that they remain on the White House sidewalk. Signs or placards shall be considered to be attended only when they are in physical contact with a person. No signs or placards shall be tied, fastened, or otherwise attached to or leaned against the White House fence, lamp posts or other structures on the White House sidewalk. No signs or placards shall be held, placed or set down on the center portion of the White House sidewalk, comprising ten yards on either side of the center point on the sidewalk; *Provided, however*, that individuals may demonstrate while carrying signs on that portion of the sidewalk if they continue to move along the sidewalk.

(ix) No parcel, container, package, bundle or other property shall be placed or stored on the White House sidewalk or on the west sidewalk of East Executive Avenue NW., between Pennsylvania Avenue NW., and E Street NW., or on the north sidewalk of E Street NW., between East and West Executive Avenues NW.; *Provided, however*, that such property, except structures, may be momentarily placed or set down in the immediate presence of the owner on those sidewalks.

(x) The following are prohibited in Lafayette Park:

(A) The erection, placement or use of structures of any kind except for the following:

(1) Structures that are being hand-carried are allowed.

(2) When one hundred (100) or more persons are participating in a demonstration in the Park, a temporary speaker's platform as is reasonably required to serve the demonstration participants is allowed as long as such platform is being erected, dismantled or used, *provided that* only one speaker's platform is allowed per demonstrating group, and *provided further that* such speaker's platform is authorized by a permit issued pursuant to paragraph (g) of this section.

(3) When less than one hundred (100) persons are participating in a demonstration in the Park, a temporary "soapbox" speaker's platform is allowed as long as such platform is being erected, dismantled or used, *providing that* only one speaker's platform is allowed per demonstrating group, and *provided further that* the speaker's platform is no larger than three (3) feet in length, three (3) feet in width, and three (3) feet in

height, and *provided further that* such speaker's platform is authorized by a permit issued pursuant to paragraph (g) of this section.

(4) For the purpose of this section, the term "structure" includes props and displays, such as coffins, crates, crosses, theaters, cages, and statues; furniture and furnishings, such as desks, chairs, tables, bookcases, cabinets, platforms, podiums and lecterns; shelters, such as tents, boxes and other enclosures; wagons and carts; and all other similar types of property which might tend to harm park resources including aesthetic interests. *Provided however* that the term "structure" does not include signs; bicycles, baby carriages and baby strollers lawfully in the Park that are temporarily placed in, or are being moved across, the Park, and that are attended at all times while in the Park (the term "attended" is defined as an individual being within three (3) feet of his or her bicycle, baby carriage or baby stroller); and wheelchairs and other devices for the handicapped in use by handicapped persons.

(B) The use of signs except for the following:

(1) Hand-carried signs are allowed regardless of size.

(2) Signs that are not being hand-carried and that are no larger than four (4) feet in length, four (4) feet in width and one-quarter ( 1/4) inch in thickness (exclusive of braces that are reasonably required to meet support and safety requirements and that are not used so as to form an enclosure of two (2) or more sides) may be used in Lafayette Park, *provided that* no individual may have more than two (2) such signs in the Park at any one time, and *provided further that* such signs must be attended at all times (the term "attended" is defined as an individual being within three (3) feet of his or her sign(s)), and *provided further that* such signs may not be elevated in a manner so as to exceed a height of six (6) feet above the ground at their highest point, may not be arranged or combined in a manner so as to exceed the size limitations set forth in this paragraph, and may not be arranged in such a fashion as to form an enclosure of two (2) or more sides. For example, under this provision, two four-feet by four-feet signs may not be combined so as to create a sign eight feet long and four feet wide, and three such signs may not be arranged to create a sign four feet long and twelve feet wide, and two or more signs of any size may not be leaned or otherwise placed together so as to form an enclosure of two or more sides, etc.

(xi) Stages and sound amplification may not be placed closer than one hundred (100) feet from the boundaries of the Vietnam Veterans Memorial and sound systems shall be directed away from the memorial at all times.

(xii) Sound amplification equipment is allowed in connection with permitted demonstrations or special events, provided prior notice has been given to the Regional Director, except that:

(A) Sound amplification equipment may not be used on the White House sidewalk, other than hand-portable sound amplification equipment which the Regional Director determines is necessary for crowd-control purposes.

(B) The Regional Director reserves the right to limit the sound amplification equipment so that it will not unreasonably disturb nonparticipating persons in, or in the vicinity of, the area.

(xiii) A permit may contain additional reasonable conditions and additional time limitations, consistent with this section, in the interest of protecting park resources, the use of nearby areas by other persons, and other legitimate park value concerns.

(xiv) A permit issued under this section does not authorize activities outside of areas under administration by the National Capital Region. Applicants may also be required to obtain a permit from the District of Columbia or other appropriate governmental entity for demonstrations or special events sought to be conducted either wholly or in part in other than park areas.

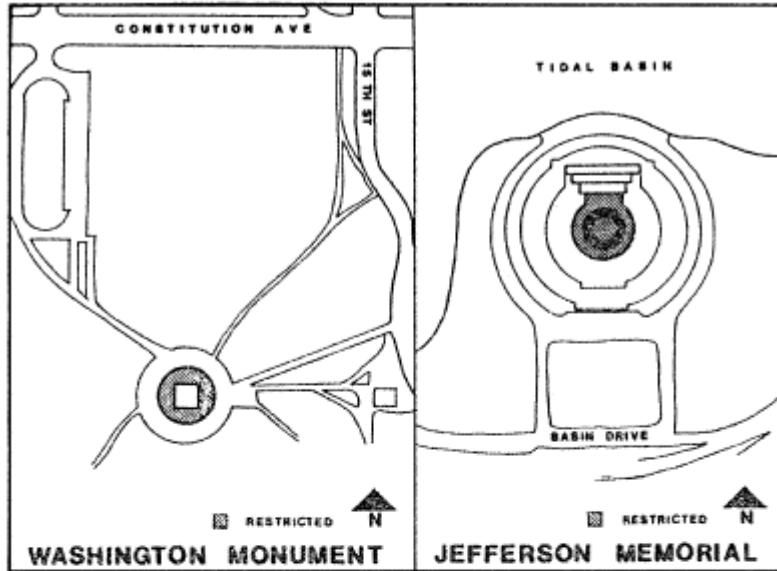

(6) *Permit revocation.* A permit issued for a demonstration is revocable only upon a ground for which an application therefor would be subject to denial under paragraphs (g) (4) or (5) of this section. Any such revocation, prior to the conduct of the demonstration, shall be in writing and shall be approved by the Regional Director. During the conduct of a demonstration, a permit may be revoked by the ranking U.S. Park

Police supervisory official in charge if continuation of the event presents a clear and present danger to the public safety, good order or health or for any violation of applicable law or regulation. A permit issued for a special event is revocable, at any time, in the reasonable discretion of the Regional Director.

(7) Further information on administering these regulations can be found in policy statements published at 47 FR 24299, June 4, 1982, and at 47 FR 24302, June 4, 1982. Copies of the policy statements may be obtained from the Regional Director.

(h) *Soliciting*. Soliciting or demanding gifts, money, goods or services is prohibited.

(i) *Camping*. (1) Camping is defined as the use of park land for living accommodation purposes such as sleeping activities, or making preparations to sleep (including the laying down of bedding for the purpose of sleeping), or storing personal belongings, or making any fire, or using any tents or shelter or other structure or vehicle for sleeping or doing any digging or earth breaking or carrying on cooking activities. The above-listed activities constitute camping when it reasonably appears, in light of all the circumstances, that the participants, in conducting these activities, are in fact using the area as a living accommodation regardless of the intent of the participants or the nature of any other activities in which they may also be engaging. Camping is permitted only in areas designated by the Superintendent, who may establish limitations of time allowed for camping in any public campground. Upon the posting of such limitations in the campground, no person shall camp for a period longer than that specified for the particular campground.

(2) Further information on administering these regulations can be found in policy statements published at 47 FR 24302 (June 4, 1982). Copies of the policy statements may be obtained from the Regional Director.

(2) Notwithstanding (j)(1) of this section, a person in Lafayette Park may have literature, papers, food, clothing, blankets and a reasonable cover to protect such property, occupying up to three (3) cubic feet of space, so long as such property is attended at all times while in the Park (the term "attended" is defined as a person being within three (3) feet of his or her property).

(k) *Sales.* (1) No sales shall be made nor admission fee charged and no article may be exposed for sale without a permit except as noted in the following paragraphs.

(2) No merchandise may be sold during the conduct of special events or demonstrations except for books, newspapers, leaflets, pamphlets, buttons and bumper stickers. A permit is required for the sale or distribution of permitted merchandise when done with the aid of a stand or structure. Such stand or structure may consist of one table per site, which may be no larger than 2 1/2 feet by 8 feet or 4 feet by 4 feet. The dimensions of a sales site may not exceed 6 feet wide by 15 feet long by 6 feet high. With or without a permit, such sale or distribution is prohibited in the following areas:

(i) Lincoln Memorial area which is on the same level or above the base of the large marble columns surrounding the structure, and the single series of marble stairs immediately adjacent to and below that level.

(ii) Jefferson Memorial area enclosed by the outermost series of columns, and all portions on the same levels or above the base of these columns.

(iii) Washington Monument area enclosed within the inner circle that surrounds the Monument's base.

(iv) The interior of all park buildings, including, but not limited to, those portions of Ford's Theatre administered by the National Park Service.

(v) The White House Park area bounded on the north by H Street, NW; on the south by Constitution Avenue, NW; on the west by 17th Street, NW; and on the east by 15th Street, NW; except for Lafayette Park, the White House sidewalk (the south Pennsylvania Avenue, NW sidewalk between East and West Executive Avenues) and the Ellipse; *Provided, however,* that the free distribution of literature conducted without the aid of stands or structures, is permitted on East Executive Avenue.

(vi) Vietnam Veterans Memorial area extending to and bounded by the south curb of Constitution Avenue on the north, the east curb of Henry Bacon Drive on the west, the north side of the north Reflecting Pool walkway on the south and a line drawn perpendicular to Constitution Avenue two hundred (200) feet from the east tip of the memorial wall on the east (this is also a line extended from the east side of the western concrete border of the steps to the west of the center steps to the Federal Reserve Building extending to the Reflecting Pool walkway); *Provided, however,* that the free distribution of literature conducted without the aid of stands or structures, is permitted on the Constitution Avenue and Henry Bacon Drive sidewalks adjacent to the Vietnam Veterans Memorial.

(3) Persons engaged in the sale or distribution of printed matter under this section shall not obstruct or impede pedestrians or vehicles, harass park visitors with physical contact, misrepresent the purposes or affiliations of those engaged in the sale or distribution, or misrepresent whether the printed matter is available without cost or donation.

(l) *Rock Creek Park.* (1) Notwithstanding the provisions of 36 CFR 5.1, the Superintendent of Rock Creek Park may permit the recognition of and the advertising by the primary sponsor or sponsors of not more than two professional tennis tournaments per year at the Rock Creek Tennis Center.

(2) All activities conducted under this paragraph shall be appropriate to park values and consistent with the protection of park resources and shall comply with criteria specified in a written permit.

(3) Any permit issued under this paragraph shall be valid only for those periods of time during which a professional tennis tournament is being held, and shall limit all advertising and recognition to the confines of the tennis stadium structure and the contiguous paved plaza, not to include any of the fields or paved parking lots except within the interior of permitted tents on Parking Lot A. These areas shall be marked on a map available in the Superintendent's office.

(4) No advertising or recognition activities may take place without a written permit as specified in this paragraph. Any person who violates a provision of this paragraph is subject to the penalty provisions of 36 CFR 1.3 and revocation of the permit if a permit exists.
