What facilities are included in this data collection?

Confinement facilities usually administered by a local law enforcement agency, intended for adults but sometimes holding juveniles.

- INCLUDE all jails and city/county correctional centers that hold inmates beyond arraignment. Report data on ALL inmates, including those held in separate holding or lockup areas within your facility.
- INCLUDE special jail facilities (e.g., medical/treatment/release centers, halfway houses, and work farms).
- EXCLUDE facilities that are exclusively used as temporary holding or lockup facilities from which inmates are usually transferred within 72 hours and not held beyond arraignment.
- EXCLUDE privately-operated jails and facilities operated by two or more jurisdictions, i.e., multi-jurisdictional facilities. (These jails will be contacted directly for data on deaths in their custody.)
- EXCLUDE deaths of persons in the process of arrest by your agency if they have not yet been booked into your jail facility. Arrest-related deaths should be reported using a CJ-11A form. Please contact BJS staff for assistance at 202-307-0765 or "askbjs@usdoj.gov".

Send comments regarding this burden estimate or any aspect of this survey, including suggestions for reducing this burden, to the Director, Bureau of Justice Statistics, 810 Seventh Street, NW, Washington, DC 20531.
