## Part 1: Select ONLY one process.

1. **Adjusted employment tax return.** Check this box if you underreported amounts. Also check this box if you overreported amounts and you would like to use the adjustment process to correct the errors. You must check this box if you are correcting both underreported and overreported amounts on this form. The amount shown on line 18, if less than 0, may only be applied as a credit to your Form 944, Form 944-SS, Form 941, or Form 941-SS for the tax period in which you are filing this form.
2. **Claim.** Check this box if you overreported amounts only and you would like to use the claim process to ask for a refund or abatement of the amount shown on line 18. Do not check this box if you are correcting ANY underreported amounts on this form.

## Part 2: Complete the certifications.

3. **I certify that I have filed or will file Forms W-2, Wage and Tax Statement, or Forms W-2c, Corrected Wage and Tax Statement, as required.**

Note. If you are correcting underreported amounts only, go to Part 3 on page 2 and skip lines 4 and 5.

4. **If you checked line 1 because you are adjusting overreported amounts, check all that apply.** You must check at least one box. I certify that:

- a. I repaid or reimbursed each affected employee for the overcollected social security and Medicare tax for prior years. I have a written statement from each employee stating that he or she has not claimed (or the claim was rejected) and will not claim a refund or credit for the overcollection.
- b. The adjustment of social security tax and Medicare tax is for the employer's share only. I could not find the affected employees or each employee did not give me a written statement that he or she has not claimed (or the claim was rejected) and will not claim a refund or credit for the overcollection.
- c. The adjustment is for federal income tax, social security tax, and Medicare tax that I did not withhold from employee wages.

5. **If you checked line 2 because you are claiming a refund or abatement of overreported employment taxes, check all that apply.**

You must check at least one box.

I certify that:

- a. I repaid or reimbursed each affected employee for the social security and Medicare tax overcollected in prior years. I have a written statement from each employee stating that he or she has not claimed (or the claim was rejected) and will not claim a refund or credit for the overcollection.

I also have a written statement from each employee stating that he or she has not claimed (or the claim was rejected) and will not claim a refund or credit for the overcollection.
- c. The claim for social security tax and Medicare tax is for the employer's share only. I could not find the affected employees, each employee did not give me a written consent to file a claim for the employee's share of social security and Medicare tax, or each employee did not give me a written statement that he or she has not claimed (or the claim was rejected) and will not claim a refund or credit for the overcollection.

period of limitations on credit or  
refund for Form 944 or Form

refund for Form 944 or Form  
944-SS expires . . .**

Choose either the adjustment process or both the adjustment process and the claim process when you correct both underreported and overreported amounts.

**Choose the adjustment process** if combining your underreported amounts and overreported amounts results in a balance due or creates a credit that you want applied to Form 944, 944-SS, 941, or 941-SS.

- File one Form 944-X, and
