

# FAFSA on the Web, FAFSA EZ and Pre-filled FAFSA on the Web

FAFSA on the Web is the online version on the Free Application for Federal Student Aid. It can be accessed at [www.fafsa.ed.gov](http://www.fafsa.ed.gov).

## FAFSA on the Web

Web-based version of the FAFSA that is available via the Internet.

## FAFSA EZ

FAFSA on the Web is front-loaded with questions that identify certain applicants as being eligible for an "automatic zero EFC." This reduces the information collection burden for those applicants who are most in need of financial aid.

## Pre-filled FAFSA on the Web

The Pre-filled FAFSA contains certain constant, preprinted data and an applicant need only update those data elements that have changed from the prior year. Data elements contained on the Pre-filled FAFSA are identical to those on the FAFSA, but fewer responses are required of applicants.

The screenshot shows the FAFSA website homepage. At the top, there is a navigation menu with links: FAFSA Home, Student Aid on the Web, Application Deadlines, PIN Site, Help, Contact Us, FAQs, Site Map, and About Us. The main header features the FAFSA logo and the text "Free Application for Federal Student Aid". Below the header, there are three numbered steps: 1. Before Beginning a FAFSA, 2. Filling Out a FAFSA, and 3. FAFSA Follow-Up. Each step has a brief description and a list of links. A sidebar on the left contains "Special Announcements" and a "Looking for an early start on the financial aid process?" section. At the bottom, there are "FAFSA ALERTS" and "Scheduled Maintenance" notices.
