

**Data Elements and Justification**  
**2010-2011 Free Application for Federal Student Aid (FAFSA)**

Question Number(s)	Data Element(s)	Data Element(s) Justification	<b>FAFSA on the Web Treatment</b> Data elements are presented to all applicants, unless otherwise noted. Note that questions are not presented in numerical order online.
<b>Step One (Students)</b>			
1-3	Student's name	1. Record identification. 2. Database matches.	Questions 1-3 are pre-filled for renewal applicants.
4-7	Student's permanent mailing address	Applicants that do not provide an e-mail address must provide a permanent mailing address in order to receive their FAFSA processing results. This address is also used to send the student a PIN, which allows student to access their application information over the Internet and sign future applications and corrections electronically.	Questions 4-7 are pre-filled for renewal applicants.
8	Student's Social Security Number	1. Section 484(a)(4)(B) of the HEA. To be eligible for Title IV student aid, a student must file with the application such student's Social Security Number except for applicants from the Marshall Islands, Federated States of Micronesia, and Palau. (See 34 CFR 668.32(i)) 2. Record identification. 3. Database matches. 4. Identifies duplicate applications.	Pre-filled for renewal applicants.
9	Student's date of birth	1. Section 476(c)(3) and 477(c)(3) of the HEA. Used to determine an asset protection allowance for the computation of discretionary net worth for the independent student. 2. Record identification. 3. Database matches. 4. System edits. (Cross check with question number 45: "Were you born before January 1, 1987?").	Used to answer dependency Question 46. Pre-filled for renewal applicants.
10	Student's permanent telephone number	Used to identify the applicant to permit servicing and collecting of student loans. Also used by customer service operations.	Pre-filled for renewal applicants.
11-12	Student's driver's license state and number	Used to identify the applicant and to permit servicing and collecting of Perkins Loans and Stafford Loans (both Direct and FFEL). Also used for collection of grant overpayments.	Questions 11-12 are only displayed when student response is "yes" to the filtering question - "Do you have driver's license information that you want to add?"  Questions 11-12 are pre-filled for renewal applicants.
13	Student's e-mail address	Used to communicate with the student electronically.	Pre-filled for renewal applicants.
14	Student's citizenship	Section 484(a)(5) of the Act limits Title IV eligibility to United States citizens or nationals who are permanent residents of the United States, in the United States for other than a temporary purpose and able to provide evidence from the Department of Homeland Security (DHS) of his or her intent to become a citizen or permanent resident, or other persons who meet special conditions. ED performs database matches with the Social Security Administration (SSA) and DHS to verify eligibility.	Pre-filled for renewal applicants.

Question Number(s)	Data Element(s)	Data Element(s) Justification	FAFSA on the Web Treatment Data elements are presented to all applicants, unless otherwise noted. Note that questions are not presented in numerical order online.
15	Student's Alien Registration Number	Section 484(h) of the Act requires institutional collection and verification of eligible non-citizen status. ED uses the Alien Registration Number to perform a computer match with files from DHS of persons who are eligible to receive Title IV aid. This facilitates the verification process, improves its accuracy and reduces the chance of fraud.	Question 15 is only displayed when student response to Question 14 is "I am an eligible noncitizen". Pre-filled for renewal applicants.
16	Student's marital status	Sections 474(b)(5), 476(b)(4), and 477(b)(5). Used in determining the expected family contributions for independent students. Used in determining the appropriate independent formula and for the employment expense allowance calculation.	Used to answer dependency Question 47. Pre-filled for renewal applicants.
17	Date student was married, widowed, separated, or divorced	Section 483(a)(1) requires inclusion of data items selected in consultation with the states to assist the states in awarding state student financial assistance.	Question 17 is only displayed when student response to Question 16 is "Married, Remarried, Divorced, Widowed, or Separated". Pre-filled for renewal applicants.
18	Student's state of legal residence	Sections 475(g)(3), 476(b)(2), and 477(b)(2) of the HEA, as amended. Used to determine an allowance for state and local taxes for the computation of the dependent and independent student's available taxable income.	Question 18 is presented using student's state as provided in Question 6. e.g. "Have you lived in the state of <i>Ohio</i> for at least five years?" If "yes" student skips Questions 18-20. If "no" student is presented with Question 18. Pre-filled for renewal applicants.
19	Student became resident of state prior to January 1, 2005.	Section 483(a)(1) requires inclusion of data items selected in consultation with the states to assist the states in awarding state student financial assistance.	Question 19 is only displayed if student was presented with Question 18. Pre-filled for renewal applicants.
20	Student's date of legal residence in state	Section 483(a)(1) requires inclusion of data items selected in consultation with the states to assist the states in awarding state student financial assistance.	Question 20 is only displayed if student response to Question 19 is "No". Pre-filled for renewal applicants.
21-22	Selective Service registration	Section 484(n) requires a student to register with the Selective Service to be eligible for federal student aid.	Question 21 is asked to determine gender. Question 21 is pre-filled for renewal applicants. Question 22 which is the Selective Service registration option, is only asked to Males that are 26 and younger and that indicate they have not registered for Selective Service.
23	Drug Conviction	Section 484(r)(1) denies Title IV eligibility to applicants with drug-related convictions under certain circumstances.	Students who "never attended college" as determined in Question 28 or who answer "No" to the filtering question – "Have you ever received federal student aid?", will not be asked Question 23.
24-25	Highest educational level completed by student's mother and father	Section 483(q)(1) requires inclusion of data items selected in consultation with the states to assist the states in awarding state student financial assistance.  Used by TRIO program, states, and institutions to determine the amount of eligibility and facilitate the packaging of federal student aid. Reduces burden on states and institutions.	Questions 24-25 are pre-filled for renewal applicants.
26	High school completion status	Section 484(d) of the HEA limits federal student aid eligibility to students that have a high school diploma or its recognized equivalent.  Section 483(a)(1) requires inclusion of data items selected in consultation with the states to assist the states in awarding state student financial assistance.	Pre-filled for renewal applicants.

Question Number(s)	Data Element(s)	Data Element(s) Justification	FAFSA on the Web Treatment Data elements are presented to all applicants, unless otherwise noted. Note that questions are not presented in numerical order online.
27	First bachelor's degree	Section 401(a)(1) of the HEA limits Federal Pell Grant eligibility to students pursuing an undergraduate course of study. Section 413B(b)(1) of the HEA limits Federal Supplemental Educational Opportunity Grant eligibility to students pursuing an undergraduate course of study.	Pre-filled for renewal applicants.
28	Student's grade level in 2010-2011	Used to determine loan limits under the Federal Direct Loan and Federal Family Education Loan programs.	Used to pre-fill Question 23.
29	Degree/Certificate student will be working on in 2010-2011	Section 483(a)(1) requires inclusion of data items selected in consultation with the states to assist the states in awarding state student financial assistance.	Pre-filled for renewal applicants.
30	Enrollment status in 2010-2011	Used by states and institutions to determine the amount of eligibility and facilitate the packaging of federal student aid. Reduces burden on states and institutions.	Questions 30-32 follow student's selection of college codes.  These questions are only displayed when student response is "Yes" to the filtering question – "Do you want to provide additional information about your college enrollment plans?"
31	Interest in other types of student aid	Used by institutions to determine if student is interested in student loans and/or work-study.	Questions 31-32 are presented to users in a simplified check box format.
32	Planning to complete coursework to become a teacher	The College Cost Reduction and Access Act (CCRAA) authorized a new grant program under Subpart 9 of Part A of Title IV of the HEA to prepare individuals who plan to become teachers.	Question 30-31 are pre-filled for renewal applicants.
<b>Step Two (Students) – Within FAFSA on the Web, the questions in this step (questions 33-45) are not presented to students whose parents receive an automatic zero EFC determination.</b>			
33-34	Type of tax return	Used for verification of income reported on the application.	These questions are not presented to students whose parents receive an automatic zero EFC determination.  Question 33 is used to determine if students have filed, will file, or are not going to file taxes.  Question 34 will not be presented to students who indicate in Question 33 that they are "not going to file" taxes.  Response to Question 34 may be available through IRS Data Transfer.
35	Eligible to file a 1040A or 1040EZ	Used for determining the tax filing criteria used in determining the eligibility for and calculation of the simplified needs tests and automatic zero EFC under Section 479 of the HEA.	This question is only presented to independent students.  Question 35 will not be presented to independent students that: <ul style="list-style-type: none"> <li>• Indicated in Question 33 that they are "not going to file" taxes;</li> <li>• Indicated in Question 34 that they have filed an "IRS 1040A or 1040EZ";</li> <li>• Do not qualify for the automatic-zero determination or simplified needs test based on income;</li> <li>• Respond "yes" to Question 101 (dislocated worker); or</li> <li>• Indicated in Question 96-100 that they received federal benefits.</li> </ul>

Question Number(s)	Data Element(s)	Data Element(s) Justification	<b>FAFSA on the Web Treatment</b> Data elements are presented to all applicants, unless otherwise noted. Note that questions are not presented in numerical order online.
36	2009 adjusted gross income (AGI)	Sections 475(g)(1), 476(b)(1), 477(b)(1), 479, and 480(a) of the HEA. The base year income for the dependent student and the independent student (and spouse) is used to determine total and available income for the computation of the dependent or independent student's contribution under Part F-Need Analysis.	This question is not presented to students whose parents receive an automatic zero EFC determination.  Question 36 will not be presented to students who indicate in Question 33 that they are "not going to file" taxes.  Response to Question 36 may be available through IRS Data Transfer.
37	2009 income tax paid	Sections 475(g)(2)(A), 476(b)(1)(A)(i) and 477(b)(1)(A) of the HEA. The amounts of federal income taxes of the dependent student and of the independent student (and spouse) are used in determining contribution from available income.	This question is not presented to students whose parents receive an automatic zero EFC determination.  Question 37 will not be presented to students who indicate in Question 33 that they are "not going to file" taxes.  Response to Question 37 may be available through IRS Data Transfer.
38	2009 exemptions	The Exemptions field is used to validate the value reported in Number of Family Members and to help identify estimators who have not made corrections after filing their income tax return. It is also used to calculate estimated tax for verification purposes. Lastly, it is used by states to award student financial assistance.	This question is not presented to students whose parents receive an automatic zero EFC determination.  Question 38 will not be presented to students who indicate in Question 33 that they are "not going to file" taxes.  Response to Question 38 may be available through IRS Data Transfer.
39-40	2009 income earned from work	Sections 475(g)(4), 476(b)(3), and 477(b)(3). Used to determine the Social Security Tax Allowance for the computation of available income for the dependent and independent student contribution. Sections 476(b)(4), and 477(b)(5). Also used to determine an employment expense allowance for independent students, and available income for the independent student's contribution.	These questions are not presented to students whose parents receive an automatic zero EFC determination.  Question 39 is for student's earnings and Question 40 is for student's spouse's earnings. These questions are dynamically displayed based on student's marital status.
41	Cash, savings and checking accounts	Sections 474(b)(4), 475(h), 476(c)(2)(A), 477(c)(2)(A) and 480(f) of the HEA. Used to derive a figure for "excludable income" such as student financial aid, child support paid, etc., which is not to be included in defining total income for purposes of computing the expected family contribution.	Only presented to dependent students or students who indicate they need to provide parental information.  Question 92 will not be presented to parents that qualify for the automatic-zero determination.  Response to Question 92a (education credits) may be available through IRS Data Transfer.
93	Parents' untaxed income	Section 480(b) and 480(c) of the HEA. Untaxed income for parents is used to determine available income for computing parental and student contribution.	Only presented to dependent students or students who indicate they need to provide parental information.  Question 93 will not be presented to parents that qualify for the automatic-zero determination.  Response to Questions 93b (IRA deductions and payments), 93d (tax exempt interest income), 93e (untaxed portions of IRA distributions), and 93f (untaxed portions of pensions) may be available through IRS Data Transfer.
<b>Step Five (Students) - Within FAFSA on the Web, the questions in this step (questions 94-101) are only presented to independent students.</b>			
94	Number in student household	Sections 476(b)(1), 477(b)(4), and 480(l) of the HEA. Used to determine an income protection allowance for computation of independent student income.	Only presented to independent students.  May be pre-filled based on student response to Questions 16, 51, and 52 (marital status, children, and other dependents).
95	Number in college in 2010-2011	Sections 476(a)(2) and 477(a)(3) of the HEA. The expected family contribution from income and assets is divided by the number of persons in college who are enrolled on at least a half-time basis at an eligible institution to determine the expected family contribution for the applicant.	Only presented to independent students.
96-100	Student or Spouse received federal benefits in 2008 or 2009	Sections 479(b) and 479(c). The Higher Education Reconciliation Act (HERA) states that a family is eligible for the simplified needs and automatic zero calculation if the student or parents received benefits and met the appropriate income threshold.	Only presented to independent students.  Questions 96-100 will not be presented to independent students that: <ul style="list-style-type: none"> <li>• Do not qualify for the automatic-zero determination or simplified needs test;</li> <li>• Respond "yes" to Question 101 (dislocated worker); or</li> <li>• Indicated in Question 34 that they have filed an "IRS 1040A or 1040EZ".</li> </ul>

Question Number(s)	Data Element(s)	Data Element(s) Justification	<b>FAFSA on the Web Treatment</b> Data elements are presented to all applicants, unless otherwise noted. Note that questions are not presented in numerical order online.
101	Dislocated worker	The College Cost Reduction and Access Act (CCRAA) amended Section 479 of the HEA and authorizes the simplified needs test and automatic zero formula treatment for independent students if either the student or the student's spouse is a dislocated worker. Consistent with Sec. 479(c), an independent student with no dependents other than a spouse remains ineligible for an automatic zero EFC determination.	Only presented to independent students.
<b>Step Six (Students)</b>			
102a-102t	Student's college selections and expected housing status at each	Used to generate electronic data rosters of applicants to educational institutions. These rosters facilitate the disbursement of aid by notifying financial aid administrators of the status of applicants who attend or may attend the institution. Reduces burden and facilitates the award process.  Note: If students are completing a paper FAFSA, only four colleges can be listed in the school code step (102a-102h). Students completing an electronic application can list up to ten school codes (102a-102t). Instructions are provided on the paper FAFSA that provides options for the student to add more than four school codes.	
<b>Step Seven (Students and Parents)</b>			
103-104	Certifications, date, and signatures	Serves as certification of the validity of the information reported on the application and as an edit.	
105-107	Preparer's Information	Section 483(e) of the HEA requires that any application shall include the name, address, organizational affiliation, and either the social security number or employer identification number of the preparer of such application.	Questions 105-107 will only be presented if response is "Yes" to the filtering question – "Are you a preparer?"
