

**Clean Air Interstate Rule to Reduce Interstate Transport of Fine Particle Matter and  
Ozone**

**OMB Control Number 2060-0570**

**EPA ICR Number 2152.04**

**Justification for No Material/Nonsubstantive Change**

This change worksheet combines this existing Clean Air Interstate Rule ICR with the ICR for "Inclusion of Delaware and New Jersey in the Clean Air Interstate Rule" (2060-0584). The burden currently approved under 2060-0584 will now be approved under this ICR (2060-0570). Once this change worksheet is approved, 2060-0584 will be discontinued.
