

**Customer Questionnaire  
Field Operations Center (FOC)**

When the QA Monitor contacts the customer, he would use the following script:

*Good morning/afternoon, my name is \_\_\_\_\_. I'm calling from the US Small Business Administration Disaster Assistance Customer Service Center. I understand that you recently visited the Field Operations Center. Do you have 5 minutes to answer a few questions regarding your experience? Your responses are voluntary; however, your responses would help us evaluate whether we are meeting the needs of the public. You also do not have to respond if this survey is not approved by the U.S. Office of Management and Budget (OMB). The OMB approval # of this survey is 3245\_\_\_\_, it expires on\_\_\_\_\_.*

**If No:**

*Thank you anyway, and please don't hesitate to call us again if you have any questions or concerns. Goodbye. (Wait for the customer to hang up)*

**If Yes:**

Thank you. We have just 6 questions, so we shouldn't keep you long... (Pause for a second and then ask the first question).
