**Screenshot #1: Consolidated Requisition (Sales Order) Form**

The screenshot shows the 'Consolidate Requisitions' page in the WBSCM system. The user is logged in as 'sda\_user1'. The page displays a table of requisition lines with columns for Row, For FTL, Quantity, SHIP\_TO, Ship-To Name, Ship-To Date, Group No, Sold-To, Sold-To Name, Req No, Req Item No, and Order No. A red box highlights the 'View' button next to the first requisition line. Callouts provide instructions: 'Click this to unallocated an order from FTL aggregation.' (pointing to the Unallocate button), 'Click this to cancel the order.' (pointing to the Return button), 'Click this to send the order back to the RA.' (pointing to the Decline button), and 'Click this arrow to view the requisitions making up the aggregated line.' (pointing to the View button).

**Screenshot #2: Consolidated Requisition (Sales Order) Form – Submit Button**

The screenshot shows the 'Consolidate Requisitions' page after a successful update. A green checkmark and message state: 'Requisition Items Updated Successfully and status changed to APPROVED BY SDA'. The 'Submit' button is highlighted with a red box and a callout: 'Click the Submit button to submit the consolidated order.' The table below shows the requisition lines with their updated status.
