Welcome to the U.S. Department of Labor's Jobs for America's Job Seekers Challenge!

The U.S. Department of Labor (DOL), Employment and Training Administration (ETA) is calling on you to help find the best, free online job tools for all job seekers.

In today's job market, online job tools have become essential to job seekers. As a result, the DOL, in conjunction with the White House and IdeaScale.com, is seeking free, online job tools for use by job seekers. The Jobs for America's Job Seekers Challenge is a platform that allows toolmakers and developers to present their tools to Workforce development experts and jobseekers for discussion, rating and voting

Welcome to Phase 2 of the Jobs for America's Job Seekers Challenge.

In this phase, we want you, the public to give these jobs tools your thumbs up or thumbs down and comment. Phase 2 will run from January 4-15, 2010. During this phase, workforce development experts and job seekers to review and vote on the submitted job tools. Reviewers will be encouraged to consider a tool's usability based on how effective the tool is at providing accurate results, how efficient it is at completing tasks in a reasonable amount of time, and the level of satisfaction felt by the user.
