

**SUPPORTING STATEMENT FOR  
PAPERWORK REDUCTION ACT SUBMISSION  
SUPPLEMENTAL REGISTRATION FOR THE DIVERSITY  
IMMIGRANT VISA PROGRAM  
(OMB # 1405-0098, DSP-122)**

**A. JUSTIFICATION**

1. Pursuant to INA Section 203(c) (Attachment 1), the Diversity Immigrant Visa Program makes available 50,000 permanent resident visas annually, drawn randomly from all entries of persons who meet strict eligibility requirements. Once an individual's lottery entry is selected and registered, the Kentucky Consular Center (KCC) sends the applicant the Instruction Package for Immigrant Visa Applicants, which consists of form DSP-122 (Supplemental Registration for the Diversity Immigrant Visa Program) and form DS-230 (Applicant for Immigrant Visa and Alien Registration Parts I and Part II). The visa application cannot be processed until these forms are returned.
2. Form DSP-122 is essential to scheduling the applicant's appointment at post. It collects information necessary to ensure that the applicant is statutorily qualified for a visa under the Diversity Visa Program, including identity of the proper country of chargeability and educational or work experience qualifications.
3. The applicant returns the form by mail to the KCC. The applicant may also download the form from the Department website. This electronic form may be printed by the applicant and subsequently filled out, or the applicant may fill the form out online and print it. The Department is currently rolling out an electronic application system for nonimmigrant visa applicants that will allow for the electronic submission of information. The Department projects that the rollout will be completed in 2011. Once completed, the Department will assess whether this system can be adapted for use in the Diversity Visa Program.
4. This collection solicits information from the applicant that is not otherwise available. This information is necessary to determining eligibility for the diversity visa program
5. This information collection does not impact or affect small businesses or other small entities.
6. Respondents are required to submit this form once per application. It is not possible to collect this information at any other time or less frequently.
7. No special circumstances exist.
8. The Department published a 60-day Notice on the reauthorization of Form DSP-122 in the Federal Register, as required by 5 CFR 1320.8(d). No comments were received from the public.
9. No payment or gift is made to respondents.
10. The information asked for on this form is requested pursuant to Section 222 of the Immigration and Nationality Act (Attachment 2). The Department uses the information provided on the form primarily to determine the applicant's eligibility for a visa.

Individuals who fail to provide all the requested information might be denied a visa. If the applicant is issued an immigrant visa and is subsequently admitted to the United States as an immigrant, the United States Citizenship and Immigration Services will use the information provided to issue the applicant a Permanent Resident Card. The Social Security Administration might also use the information provided to issue social security numbers and cards. Beyond these uses the information provided on this information collection will be considered confidential and will be used by the Department only for the formulation, amendment, administration, or enforcement of the immigration, nationality, and other laws of the United States.

11. No information of a sensitive nature is collected on this form.
12. Approximately 60,000 respondents will complete this form each year. The information collected is based on personal biographical data and personal history. Finding the necessary background information and filling out the entire form will require approximately 30 minutes of time; no special research on the respondent's part is required. The annual hour burden to respondents is estimated to be 30,000 hours.
13. There are no cost burdens on the respondents.
14. The annualized cost burden associated with this information collection is \$175,000. The information collection is processed by a contractor who performs this function as part of its work under a competitive fixed-unit-price contract to administer the Kentucky Consular Center. The contract is paid approximately \$175,000 annually to enter data and process the completed Form DS-122s.
15. There are no burden changes for this collection.
16. A quantitative summary of all Department of State visa activities is published in the annual [Report on the Visa Office](#).
17. The Department will display the OMB expiration date on this form.
18. The Department is not seeking any exceptions of the certification statement requirement.
