Dear <participant>

Recently you were contacted about the IRS Governmental Liaison and Disclosure (GLD) evaluation process. At this time we are requesting your help in gathering information about your agency's work with IRS GLD. We would like your input, as well as input from others within your agency.

The GLD evaluation is being administered in two parts.

- The first part, "Customer Satisfaction Evaluation for Primary Agency Liaison 2010," is attached and is directed to you for completion as an agency liaison.
- The second part, "Customer Satisfaction Evaluation for Users of IRS GLD Services and Products" will be sent to you separately, with instructions on distributing to other product users.

As a primary liaison with the IRS, you can provide important feedback to help improve the services provided by your IRS GLD Primary Contact, as well as improving the data exchange program. Your help gathering information during the second part of the process will improve the products and services used within your agency.

Please complete the attached evaluation and send it by 6/25/10 to the following email address:

[IRS.GLD.Tax.Agency.Survey@irs.gov](mailto:IRS.GLD.Tax.Agency.Survey@irs.gov)

The IRS Research organization will analyze the evaluation responses. Individual responses will be not be shared. Only aggregate results will be provided to the IRS Office of Governmental Liaison and Disclosure.

If you have any questions concerning the evaluation administration, please contact:

John Kennedy of SB/SE Research at 856-237-7996

Questions concerning the evaluation content may be directed to:

Pamela Kozik of CLD at 860-756-4755.

Thank you for your help with the 2010 evaluation of GLD services. We appreciate your time and assistance in providing this valuable feedback.
