During the next couple of weeks, you will receive another email from ICF Macro, a survey research and consulting firm. That email will invite you to complete a brief survey to provide your candid feedback about the products and services you receive from SPEC.

This year's survey questions have been revised to include items related to SPEC initiatives and our changing business environment.

Capturing your feedback is very important to the IRS. Your participation in this survey is critical in helping us improve our products and services to all of our local partners. ICF Macro will not provide any identifying information to the IRS along with your responses and will hold your identity private to the extent permitted by law. Your feedback will be provided to the IRS in aggregate only.

If you have any questions, please contact Ron Smith, Chief, Strategic Planning & Development, at (404) 338-8512 or your IRS relationship manager.

Thank you in advance for your participation.
