

Narrative of Revisions

The purpose of the Narrative of Revisions is to clearly indicate revisions to a collection since the previous approval

Collection Title:

OMB Control No.: 1652-0036

Current Expiration Date: 03/31/2010

Collection Instrument(s): Corporate Security Review Interview Form- Hazmat Addendum

The following listed below are revisions to the collection:

The original CSR form was revised to address security relating to the highway modes – school bus, trucking (general freight and Hazmat), motor coach, State DOTs, and State Departments of Education, and Infrastructure. It was revised to capture specific information related to each one of the aforementioned entities within the highway and motor carrier industry, rather than a general form addressing all modes of surface transportation
