CERT is a proud partner of Citizen Corps and the effort to have everyone in America prepare, train, and volunteer.

Community Emergency Response Team (CERT): Program Registration

Thank you for your support of the CERT Program and your commitment to strengthen collaboration between community members and emergency responders

THIS PAGE IS TO REGISTER OFFICIAL CERT PROGRAMS ONLY, not to register individuals or individual teams sponsored by a local CERT Program. To be an official CERT Program the program must:

1. Be operated by a local emergency response organization such as your local Fire Department or Office of Emergency Management and endorsed by the Citizen Corps Council.
2. Conduct the CERT Basic Training Course and a CERT exercise at least once a year
3. Have a point of contact to be posted with other program information on the national CERT website

If you represent an official CERT Program, please continue. Some of the information you provide will be posted on the national CERT website. Your information will help individuals interested in CERT from your area to contact you, and allow you and your federal partners to share relevant information on CERT and other programs.

Your submission will be reviewed by the State CERT Manager or the Citizen Corps Program Manager before being posted. Once your CERT Program is approved, the CERT point of contact you identify below will receive a password to access your registration page and to update the posted content as needed. This point of contact will receive an automatic reminder to update the information every six months. Thank you for keeping the information on the website about your CERT Program current.

If you have any problems with completing this form or with updating your posted information, please contact us at cert@dhs.gov

Thank you again for your commitment to the CERT Program and the effort to train the community members and include them in supporting local emergency services

Additional Public Information for the Website

In addition to posting a contact for your CERT Program, we would also like to include some more detailed information about your program. Your answers to the following will be posted on your program page on the CERT website.

General
Month & year your CERT Program was started: July 2009
 Information last updated on July 28th, 2009

Training
 Some CERT Programs offer training to the general public, while others focus on particular groups to form teams who will work together in an incident. Does your CERT Program hold classes for:
 (Please be sure to update these figures whenever you complete a new training.)
 As of today's date, On average, how many times per year does your program conduct the CERT Basic Training Course? 0
 Number of CERT classes that have graduated since program started? 0
 General public / open classes
 Specific neighborhood groups
 Businesses
 Critical Infrastructure Sectors (e.g., utilities, public transportation)
 Government groups
 Faith-based organizations
 Teens / youth
 Colleges/universities
 People with disabilities
 Military groups
 Other

CERT in Action

Emergencies
 How many times has your CERT responded in actual emergencies? 0
 Please indicate the types of emergencies/disasters to which your CERTs have responded. (Check all that apply. Enter "None" in other for nothing.)
 Earthquake
 Wildland / urban interface fire
 Flood
 Excessive heat
 Hurricane
 Landslide
 Severe thunderstorm
 Tornado
 Tsunami
 Winter storm
 Other

Activities
 What activities did your CERTs conduct? (Check all that apply.)
 Residential / Neighborhood checks
 Medical intervention (triage or treatment)
 Special Needs evacuation
 Animal evacuation
 Debris removal
 Sandbagging
 Processing food and other supplies
 Traffic control / Crowd Management
 Initial damage assessment
 Basic search and rescue
 Fire-related safety measures
 Utility control / shut off
 Staffing Emergency Operating Centers
 Staffing shelters
 Community relations / Distribution of emergency information to public
 Other

Non Emergency Functions
 What kinds of non-emergency functions do your CERT members participate in? (Check all that apply.)
 Hazard / threat assessments
 Mitigation activities
 Support for emergency planning (neighborhoods, schools, community)
 Support for public safety at community events
Public education and outreach:
 Emergency preparedness
 Fire safety
 Health issues
 Crime prevention
 Terrorism awareness
 Home safety / prevention activities (winterizing homes, fire safety actions, crime prevention steps)
 Other

Exercises
 In how many of the following exercise categories has your CERT Program participated? And how many CERT members participated in or supported the exercises?
 (Please do not include participation in the "final exercise" of the CERT basic training course)
Example: Your CERT Program has participated in 3 bio-terrorism exercises and 50 CERT members participated in each exercise for a total of 150 CERT exercise participants.

Type of Exercise	Number of Exercises	Number of CERT volunteers who have participated
WMD/Terrorism	0	0
Natural Disaster	0	0
Medical Emergencies / Strategic National Stockpile	0	0
CERT Specific Exercises	0	0

Supplemental Training
 Does your program offer or require supplemental training levels after the CERT Basic Training Course?
 If yes, please check all that apply and indicate if any other organizations help to conduct these trainings (i.e., the Red Cross, ASH), National Safety Council, NASAR, NFPA, ARRL) and include whether the training is offered online.

Additional Private Information

Please note: Answers to the following questions will NOT be posted on the public website, but will be posted on the password protected section of the site. The information will be accessible only to other CERT Program and Citizen Corps Council points of contact. This data will help us all better understand how CERT is being implemented around the country and will help with growing and expanding the program.

Information last updated on **July 28th, 2009**

General Info

Does your CERT Program organize participants into identified teams who will work together in an incident?

Does your CERT Program conduct background checks on participants?

If yes, please indicate who is checked:

All program participants are checked.

Only selected program participants are checked (e.g., team leaders).

Trainers

As of today's date, how many trained instructors does your program have?

Where did these instructors receive their Train-the-Trainer instruction? Check all that apply:

State sponsored course

Locally sponsored course

Emergency Management Institute (EMI)

Other

What background do your CERT instructors have? Check all that apply:

Fire service

Emergency management

Law enforcement

Volunteer organization

Other

Funding

How do you fund your program? Check all that apply:

Federal funding

State funding (other than Federal grants allocated through the State)

Local jurisdiction funding

Private sector support

Foundation or philanthropy

General fundraising

Other

Staffing

Is your local CERT Program coordinator / manager paid or volunteer?

If paid, what approximate percentage of their time is allotted to CERT?

Other Info

Are your CERT Program/CERTs referenced in your jurisdiction's Emergency Operations Plan or Comprehensive Emergency Management Plan?

Does your CERT Program have a written protocol for CERT activation in emergencies in your jurisdiction?

Point Of Contact Information

This is the principal point of contact for your CERT Program. This person's name, phone number, and email address will be posted on the website so that people interested in CERT in your area can get involved. This is also the person who will receive information from state or federal partners. You may wish to create a generic email address for your program, such as AnytownCERT@town.state.us. This will allow multiple people to access the account and won't fill up an individual's email box.

Please note: This information **will** be publicly available on the CERT website. By submitting this form, the sender is confirming that the point of contact consents to have his or her name, phone number, and email address included in the online national CERT Registry.
