

Overview of 2011 NAEP Assessments.

The 2011 data collection consists of the following:

- National, state, and urban district assessment in reading at grades 4 and 8 (including the NIES study);
- National, state, and urban district assessment in mathematics at grades 4 and 8 (including the NIES study);
- National, state, and urban district assessment in writing at grade 4, and national only at grades 8 and 12;
- Pilot assessments for 2013 reading and mathematics at grades 4 and 8;
- Pilot assessments for 2012 technological literacy at grades 8 and 12; and
- Pilot assessment for 2012 economics at grade 12.

See Exhibit 3 in the supporting statement Part A of the 2011-2013 Systems Clearance for the Estimated Respondent Burden for the NAEP 2011 Assessments - by subject and grade level. This System clearance submittal does not contain any specific questionnaire materials for the 2011 period. Specific yearly questionnaires and other assessment materials will be submitted as they are developed over the course of the system clearance period.
