

**Nonmaterial or Nonsubstantive Change to a Currently Approved Collection  
Justification Statement**

**Reporting Requirements under EPA's Climate Leaders Partnership  
OMB Control Number 2060-0532**

EPA is submitting this nonmaterial/nonsubstantive change request for changes made to the Partnership Agreement for this ICR. The changes that were made to the Partnership Agreement were fairly minor and do not change the information being collected or the hourly burden/costs being imposed on the partners.
