

The National Cemetery Administration (NCA) made updates to its current VA Form 40-0247. The original VA Form 40-0247 is for requests for additional copies of a previously issued Presidential Memorial Certificates (PMC's). The updates to the form would include the following changes with no additional respondent burden:

- o Format changes
- o Mailing address, telephone and fax number updates
- o Wording changed to allow the public to also use the form for first time requests

Upon appropriate approval, the NCA website will display the updated version of the VA Form 40-0247 for public use. In addition, VA contractors will use the updated form to mail it along with an issued PMC.
