INTRODUCTION:

[Introduce yourself, and ask for the operator. Rephrase in your own words.]

We are collecting information on chemical applications for floriculture and nursery production in 2009 and need your help to collect complete and accurate data. Authority for collection of information on the Nursery and Floriculture Chemical Use Survey is Title 7, Section 2204 of the U.S. Code. This information will be used to compile and publish estimates on chemical use in floriculture and nursery production. Response to this survey is confidential and voluntary.

We encourage you to refer to your farm records during the interview.

1. **Were your total gross sales of floriculture crops greater than \$10,000 in 2009?**

YES NO

2. **Were your total gross sales of nursery crops and/or Christmas trees greater than \$10,000 in 2009?**
