Please report the total Oregon quantity of cherries processed at this plant in 2009. If you processed cherries grown in other States, please report the quantities separately for each State. Response to this survey is voluntary and not required by law, but your assistance is critical to ensure accurate results. Individual reports are kept confidential and used only in combination with others. Survey results can be found in the preliminary Noncitrus Fruits and Nuts publication. The release date is January 2010 and can be found at: [www.nass.usda.gov](http://www.nass.usda.gov). Thank you for your help.

Please make corrections to name, address, and Zip Code if necessary.
