

Please answer the following questions to determine if your landing location may be eligible for review by National Oceanic and Atmospheric Administration (NOAA)'s National Marine Fisheries Service (NMFS), Office for Law Enforcement. Law enforcement must be able to access landing locations by both land and water at all times. Be aware that if a landing location is approved, anyone participating in the Individual Fishing Quota Program may use that location.

1. Does this location have a physical street address?
 - Yes - Proceed
 - No – Can you provide Global Positioning System (GPS) coordinates for this location?
 - No
 - Yes
2. Is the location accessible to vehicles via public roads?
