Welcome to the Tools for America's Job Seekers Challenge!

Finding a job in today's economy is hard work. Finding a job in today's economy is hard work. The Department of Labor, Employment and Training Administration wants to make sure **One Stop Career Centers** across the country place the best possible resources at job seekers' fingertips. across the country place the best possible resources at job seekers' fingertips.

In a fast-changing marketplace, it is difficult to keep up with state of the art on-line job search and career advancement tools. Therefore, we are challenging enterprising entrepreneurs and organizations to showcase their online solutions to decision-makers at the nation's almost 3,000 **One Stop Career Centers** that serve over 20 million job seekers annually.

The challenge will help the workforce investment system identify the most compelling on-line tools to set job seekers on the shortest path to success.

Learn more about the **Challenge**.
