health care continuation coverage as required by the American Recovery and Reinvestment Act (ARRA) of 2009 (Pub. L. 111-5). Assistance eligible individuals now can be eligible for the subsidy if they incur an involuntary termination of employment triggering a COBRA election opportunity by February 28, 2010. Before the extension, Assistance Eligible Individuals had experience an involuntary termination of employment by December 31, 2009. The length of the premium assistance period also is extended from 9 months to 15 months.

ARRA, as amended, retained the requirement that the Secretary of Labor (the Secretary), in consultation with the Secretaries of the Treasury and Health and Human Services, develop model notices. These models are for use by group health plans and other entities that, pursuant to ARRA, as amended, must provide notices of the availability of premium reductions and additional election periods for health care continuation coverage. The ICR relates to the issuance of the model notices.

*Why are we requesting Emergency Processing?* If the Department were required to comply with standard PRA clearance procedures, it would not be able to publish the model notices on a timely basis.
