Sec. 40.202 Reports.

(a) Monthly report. Every manufacturer of tobacco products shall make a report on Form 5210.5, in duplicate, for each month and for any portion of a month during which he engages in such business. Such report shall be made regardless of whether any operations or transactions occurred during the month or portion of a month covered therein. The report for a month or portion of a month in which business is commenced or is concluded shall be conspicuously marked "Commencing Report" or "Concluding Report," respectively. The original of the report shall be submitted to the appropriate TTB officer not later than the 20th day of the month succeeding the month covered therein, and the duplicate shall be retained by the manufacturer. Each report shall show, for the period covered, the total quantity of tobacco products:

- (1) Manufactured,
- (2) Received in bond,
- (3) Received by return to bond,
- (4) Disclosed by inventory as an overage,
- (5) Removed subject to tax,
- (6) Removed in bond,
- (7) Otherwise disposed of without determination of tax,
- (8) Disclosed by inventory as a shortage, and
- (9) On hand, in bond, beginning of and end of month.

(b) Report of wholesale prices of large cigars removed before January 1, 1991. Every manufacturer of tobacco products who removes large cigars from his factory, and who issues announcements such as those described in this paragraph, shall make a report of each establishment or change of wholesale price (suggested delivered price to retailers) for large cigars. The report shall consist of a copy of each general announcement that the manufacturer issues within his organization or to the trade about establishment or changes of wholesale prices. Only one copy of an announcement need be submitted even if it relates to tobacco products removed subject to tax from more than one factory. If this copy does not show the actual date when the announcement was issued, or identify the factory or factories from which removals of the cigars covered by the announcement are made, then the copy shall be annotated to show this information. The factory or factories shall be identified either by permit number(s) or by name, city and state. If an intraorganizational announcement involves a forthcoming price change or new product which at the time of issuance is to remain confidential until a later date, the manufacturer may include a statement to this effect on the copy submitted. The copy shall be submitted to the appropriate TTB officer within five business days after the day issued.
