FROM THE DIRECTOR
 U.S. CENSUS BUREAU

The Census Bureau requests your participation in the survey of new manufactured homes, conducted for the Department of Housing and Urban Development. For the manufactured (mobile) home identified in Section I on the back of this form, please complete sections II through IV. Manufacturers, suppliers, developers, and lenders use the results from this voluntary survey to make more informed decisions concerning industry production, investment, and financing.

We will contact you to obtain your information within a few days. If you prefer, you may fax the form to us toll-free at 1-800-274-0761 or mail the form to us in the enclosed postage-paid return envelope. If you choose to mail or fax the form, please remember to retain a copy of this form for your records, since we will continue to follow up on this manufactured home until it is permanently placed.

We recognize that providing this information is a burden. To help minimize the burden, we request information for only a sample of homes shipped by manufacturers and provide the option of a toll-free response. The law that authorizes this survey (Title 13, United States Code) requires that we keep your report strictly confidential. We will release and publish only statistical aggregates, which do not reveal the operations of individual dealers.

If you have any questions, please contact my staff on 1-800-845-8249. Thank you in advance for your cooperation.

Sincerely,

Robert M. Groves
