

NON-SUBSTANTIVE CHANGE REQUEST FOR INFORMATION COLLECTION 3060-0010

The Federal Communication Commission is seeking a non-substantive change request for information collection 3060-0010, FCC Form 323. When the Commission received OMB approval for the information collection on October 19, 2009, Form 323 had a typo on it. Specially, Question 5 of Section 1 reads as follows:

The date entered must (1) be no earlier than Oct. 1 of the filing year when filing a Biennial Ownership Report (and no earlier than Nov. 1, 2009 in the case of the initial filing); or (2) be no more than 60 days prior to the date of filing when filing a non-biennial Ownership Report. (*language with typo*)

The correct sentence should read:

The date entered must (1) be Oct. 1 of the filing year when filing a Biennial Ownership Report (or Nov. 1, 2009 in the case of the initial filing); or (2) be no more than 60 days prior to the date of filing when filing a non-biennial Ownership Report. (*see page #4 of the instructions for the updated language*)

Correcting this typo does not affect the burden hours or cost burden. They remain the same and all other items on Form 323 remain the same.
