Count all people, including babies, who live and sleep here most of the time. The Census Bureau also conducts counts in institutions and other places, so: Do not count anyone living away either at college or in the Armed Forces. Do not count anyone in a nursing home, jail, prison, detention facility, etc., on April 1, 2010. Leave these people off your form, even if they will return to live here after they leave college, the nursing home, the military, jail, etc. Otherwise, they may be counted twice.
