Share Your Thoughts to Improve Our Customer Service!

At WPS Health Insurance, our goal is to provide you with top-notch customer service. We know it's what you have come to expect from us. To ensure that we continue to offer the kind of service you deserve, we randomly survey our customers to learn more about their experience with us.

We've come a long way at WPS in our nearly 60 years of doing business. Many of the improvements we've made to our Customer Service Department have been the result of constructive feedback from these surveys.

Please take a few minutes to answer the following questions regarding WPS TRICARE for Life claims processing and the service provided by our Customer Service Department. When you have completed the survey, simply detach the postage paid reply card and drop it in the mail.

We're eager to hear from you. Help us to serve you even better!

21603-097-0805 Persons under 18 years of age will not be surveyed.
