Therefore, reports and queries are not accepted under this authority at this time. You will be notified when final regulations to implement Section 1921 have been established. QUERY OPTIONS FOR ENTITIES AUTHORIZED BY LAW TO QUERY

BOTH THE NPDB AND THE HIPDB

[Help ?](#)

Select the Data Bank(s) you elect to query. Fees are assessed for each Data Bank you choose to query (except for Federal agencies, which, by law, are exempt from HIPDB query fees). Hospitals **MUST** query the NPDB under Title IV.

- Query the NPDB and the HIPDB for each query submitted.
- Query only the NPDB for each query submitted.
- Query only the HIPDB for each query submitted.
- Do not query either the NPDB or the HIPDB.

I have elected not to query the NPDB but I wish to query the NPDB after the publication of final regulations implementing Section 1921 of the Social Security Act.

POINT OF CONTACT FOR REPORTS

A report point of contact is applicable only if the entity is eligible under law to submit reports. You may designate an individual or office to be the point of contact to be included on all reports submitted by your organization to the NPDB and/or the HIPDB. If your entity does not designate a point of contact, the submitter of each individual report will be listed as the point of contact for that report.

ELIGIBILITY/STATUTORY AUTHORITY

Help ?

For each of the three statutes below, entities must select the most appropriate function/service category based on their primary function or service. [Review each of these statutes and regulations](#) prior to submitting your entity registration.

1. Title IV of Public Law 99-660, the *Health Care Quality Improvement Act of 1986*, as amended;

2. Public Law 100-93, Section 5[b] of the *Medicare and Medicaid Patient and Program Protection Act of 1987*, [Section 1921 of the *Social Security Act*]; and
3. Section 221[a], Public Law 104-191, the *Health Insurance Portability and Accountability Act of 1996*, more commonly referred to as Section 1128E of the *Social Security Act*.

Each entity is responsible for determining its legal obligation or eligibility under the applicable laws and regulations, and must register accordingly. For a complete description of the requirements and penalties of each authority, follow the links at the top of each authority selection list. You may wish to seek advice from legal counsel before specifying your statutory authority(ies). **If no function/service applies to you in the block, select "None of These."**

If you are registering under Section 1921 of the Social Security Act, please be aware that this legislation has not been implemented. Therefore, reports and queries are not accepted under this authority at this time. You will be notified when final regulations to implement Section 1921 have been established. Until that time, your certification election for this statute will be stored but will remain inactive.

QUERY OPTIONS FOR ENTITIES AUTHORIZED BY LAW TO QUERY

BOTH THE NPDB AND THE HIPDB

[Help ?](#)

Select the Data Bank(s) you elect to query. Fees are assessed for each Data Bank you choose to query (except for Federal agencies, which, by law, are exempt from HIPDB query fees). Complete this section only if you are eligible to query both the NPDB and the HIPDB, based on the selections made in the ELIGIBILITY/STATUTORY AUTHORITY section. Hospitals MUST query the NPDB under Title IV.

- Query the NPDB and the HIPDB for each query submitted.
- Query only the NPDB for each query submitted.
- Query only the HIPDB for each query submitted.
- Do not query either the NPDB or the HIPDB.

I have elected not to query the NPDB but I wish to query the NPDB after the publication of final regulations implementing Section 1921 of the Social Security Act.
