REQUESTING SECRETARIAL REVIEW

Help ?

Before requesting a review by the Secretary of the U.S. Department of Health and Human Services (HHS), you must first attempt to resolve the disagreement with the reporting entity. If your disagreement cannot be resolved through discussions with the reporting entity (e.g., the reporting entity declines to change the report), you may then request that the Secretary review the report for accuracy.

Please be advised that the Secretary will review your case only to determine the following:

- **Whether a report should have been filed** in accordance with reporting regulations, and if so,
- **If the information contained in the report is a factually accurate reflection of the action taken and the reasons the action was taken are specified in relevant documents.**

The Secretary will not review the merits of a medical malpractice claim in the case of a payment or the appropriateness of, or basis for, an adverse action or judgment or conviction. The Secretary can only determine if the action was reportable and if the report accurately describes the action and the reasons the action was taken. The Secretary cannot review the extent to which entities followed due process guidelines. Due process issues must be resolved between the subject and the reporter.

As part of the Secretarial Review process, you should submit to the Data Banks documentation that supports your position that the reporting entity's information is inaccurate. Documentation must relate directly to the facts in dispute and substantially contribute to a determination of the factual accuracy of the report. Documentation may not exceed 10 pages, including attachments and exhibits. Click **Help** for examples of acceptable documentation.

You must also submit proof that you attempted to resolve the disagreement with the reporting entity, but

were unsuccessful (e.g., a copy of your correspondence to the reporting entity and the entity's response, if any).

To proceed with your request for Secretarial Review, follow the instructions below and click **Continue**. Otherwise, click **Return to Report Response Options** at the bottom of this page.

Do not print this page. A printable copy of your request will be provided after submission.

Below is the Subject Statement that you submitted in reference to the specified report. To change this statement, click **Return to Report Response Options** at the bottom of the page, then click **Statement and Dispute**. Once you are satisfied with your Subject Statement, return to this screen to continue processing your request for Secretarial Review.

There are **4000** characters remaining for the comments.
