

Dear MPEP Participant:

You should have recently received email notification of the HIV Rapid Testing MPEP upcoming sample survey. This email contained the contact, mailing and shipping details currently on file with the MPEP for your laboratory and notice that you would be receiving and Information Change Form (ICF) in a following email.

The purpose of this email is to send as an attachment the ICF, to be filled out if changes need to be made in the contact, mailing & shipping details currently on file with the MPEP for your laboratory.

If no changes are required, no response is necessary.

If changes are required, please make the appropriate changes on the ICF attached in this email, then

- > Scan and email the form(s) to [MPEPHIV-RT@cdc.gov](mailto:MPEPHIV-RT@cdc.gov)
- > FAX the form(s) to (404) 498-2372,
- > call 1-877-360-8502, or
- >return the form by mail to:
