Model Performance Evaluation Program (MPEP) HIV Rapid Testing Questionnaire Survey 2010

Purpose

The purpose of this communication is to:

1. explain details regarding the current Questionnaire Survey, the purpose of which is to collect information about HIV rapid testing practices, and
2. provide you with information regarding:
 - a) the **WEBSITE address** for the MPEP
 - b) how to submit your HIV Rapid Testing MPEP Questionnaire results online
 - c) your MPEP **PASSWORD**
 - d) the **deadline** for result submission

Note:

- Results are now ONLY being accepted online- no paper forms to mail.
- MPEP is a non-regulatory quality assurance program

Your role

The results of the survey will support our mission of improving public health through continuous improvement of testing practices. Participation in the survey is voluntary. However, it is important for statistical validity that we collect as many responses as possible. A high response rate will ensure more meaningful results. Thus, your role is very important in helping to assure reliable, consistent retroviral testing. MPEP is a non-regulatory quality assurance program
